Being God's Partner Rabbi

Jeffrey K. Salkin, 2013-04-03 What is spirituality anyway Isn't spirituality about emotion And isn't work about the rational mind Too often we divorce our work life from our real life from our innermost beliefs and convictions But work can be as much a part of our life and as much a vehicle for spiritual growth and personal understanding as going to synagogue or church on Saturday or Sunday or taking a walk in the woods or reading quietly to our kids at bedtime In fact work may be among the most potent vehicles for fulfilling our spiritual life because for many of us it presents the best opportunities to meld community and social and economic productivity with personal belief and individual talent from the Introduction by Norman Lear Being God's Partner will help people of every faith reconcile the cares of their work and the strivings of their souls and restore the hidden link between them By exploding our assumptions that work and spirituality are irreconcilable Salkin explores how spirituality can enhance our 9 to 5 lives It is time to be as rich internally as we are externally he writes offering soul stirring ways to smuggle religion into our workplace Thought provoking practical and exhilarating Being God's Partner goes beyond just talking about the subject to give you specific actions to take and connections to make right now to help infuse our lives with greater meaning purpose and satisfaction and invigorate all that we do **Spiritual Direction**
