The Journey Animorphs 42:

The Journey (Animorphs #42) K. A. Applegate, 2017-08-29 Sometimes your worst problems are the ones you can't actually see. Like the Helmacrons. These less than an inch high aliens are back and they want the morphing cube more than ever. Obviously Rachel and the other Animorphs can't let them take the cube. But when Rachel tries to stop the Helmacrons from stealing it, Marco gets in the way and ends up with tiny aliens well up his nose. Rachel and the others can't let the Helmacrons stay inside Marco's head. They're armed and could cause serious damage. So the Animorphs come up with a plan to evict the Helmacrons from their new residence. But it involves a shrinking ray and the obvious Marco's nose.

Animorphs: The Journey K. A. Applegate, 2000 The Helmacrons less than an inch high aliens want the morphing cube and when Rachel tries to destroy their ship the tiny creatures go into Marco's nose. *The Journey* Katherine Applegate, 2000 The Helmacrons are back and this time they're determined to get hold of the morphing cube. Despite their size they have devised a sure fire way of getting the Animorphs' attention they're inside Marco and they're heading for his heart. Well there's a few things that being a millimetre and a half tall is good for. The Animorphs must take them on but that means shrinking and a battle and the battlegrounds is Marco's body. Thing is Marco's got his own mission a kid captured him morphing on camera. He's got to find it and destroy the evidence but as long as the Animorphs are inside him he can't morph. Can he succeed without his most important weapon. The Journey K. A. Applegate, 2000 Children's Books in Print, 1993
