As the Journey Begins George Mills,2018-03-29 I find myself as a single free man once again on a journey in search of a beautiful wildflower to have as my beloved soul mate for life I do know that God has created her for me to hold in the good time as well as the bad times I begin to go down this old rugged dirt road we call life in search of this most beautiful wildflower I find going on a journey looking all over this world for her and to this day have not found such a love to become my soul mate for life

The Rubicon Edward Frederic Benson,1894

The Journey Called Life Laura Lacey Satterly,2004-08 This is the story of a family s struggle for the good life and respectability The characters represent more than their individual parts The story attempts to show the struggle of human beings with themselves as they attempt to overcome their own weaknesses There is a way out of most situations it is up to the people involved in those situations to find a way out No matter what the problem there is an answer A power is at work in the universe that loves and protects us all It is of little importance how each of us taps into that power however it is very important that we find a way to allow that power to work in our lives
