## **The Joyprayer Connection:**

**Living Devotions** Mary Clark Moschella, 2008-01-01 *Living Devotions* explores how a particular community has creatively negotiated its religious bonds of connection in the context of immigration. These matters cannot be studied in the abstract. Religious practice is not something separate from the economic, cultural, and psychological dimensions of life but rather something integral which shapes and is being shaped by all of these other realities. The author examines these dynamics through an ethnographic case study of the living devotions of a group of Italian Catholic immigrants to San Pedro, California. The narrative describes how the group's historical experiences of immigration and fishing find expression in their particular forms of prayer, art, artifacts, and food. The healing and transformative power of these shared religious practices is explored. As contemporary theologians, pastors, and congregations seek to welcome and care for immigrants and other strangers in a shifting social landscape, we need ways to engage in care-full and attentive relationships. The ethnographic method employed here suggests a way to lift up the voices of ordinary people, allowing them to tell their own stories while piecing together emerging bits of theological wisdom and compelling care practices. While the particular insights of any community are situated and specific, theological reflection in one context can animate a broader discussion of transformative pastoral theology and practice.

**The Routledge Encyclopedia of the Historical Jesus** Craig Evans, 2014-01-14 This Encyclopedia brings together the vast array of historical research into the reality of the man, the teachings, the acts, and the events ascribed to him that have served as the foundational story of one of the world's central religions. This kind of historiography is not biography. The historical study of the Jesus stories and the transmission of these stories through time have been of seminal importance to historians of religion. Critical historical examination has provided a way for scholars of Christianity for centuries to analyze the roots of legend and religion in a way that allows scholars an escape from the confines of dogma, belief, and theological interpretation. In recent years, historical Jesus studies have opened up important discussions concerning anti-Semitism and early Christianity and the political and ideological filtering of the Jesus story of early Christianity through the Roman empire and beyond. Entries will cover the classical studies that initiated the new historiography, the theoretical discussions about authenticating the historical record, the examination of sources that have led to the western understanding of Jesus' teachings and disseminated myth of the events concerning Jesus' birth and death. Subject areas include the history of the historical study of the New Testament, major contributors and their works, theoretical issues and concepts, methodologies and criteria, historical genres and rhetorical styles in the story of Jesus, historical and rhetorical context of martyrdom and messianism, historical teachings of Jesus within historical context of ethics, titles of Jesus, historical events in the life of Jesus, historical figures in the life of Jesus, historical use of Biblical figures referenced in the Gospels, places and regions, institutions, the history of the New Testament within the culture, politics, and law of the Roman Empire.

Those truths helped her see joy and God in a new light. You are invited to embrace those same truths. *JoyKeeper* will help you replace the need to hide emotions with honesty about how you feel, redefine joy from an up-and-down feeling to who God is in the right now, discover how joy guides you through the hard places as well as the good, run freely to your Source of joy rather than try to do it on your own, confront everyday joy stealers, to live day to day as a *JoyKeeper*. Thirty practical and inspirational daily exercises are also included so you can intentionally practice these truths. Includes a small group study guide. Suzanne Suzie Eller is a bestselling author, Bible teacher, and cohost of the *More Than Small Talk* podcast. Suzie has been featured on hundreds of TV and radio programs.
