The Kansas Terrors:

THE KANSAS TERRORS Betty Burbridge, Jack Natteford, 1940 **1939** Thomas Hischak, 2017-06-16 What do *Babes in Arms*, *Beau Geste*, *Gunga Din*, *The Hunchback of Notre Dame*, *Only Angels Have Wings* and *Young Mr Lincoln* all have in common? They are all classic films released in the same year but none of them received Academy Award nominations for best picture. Why? In that same year Hollywood produced *Dark Victory*, *Goodbye Mr Chips*, *Mr Smith Goes to Washington* and *Ninotchka* as well as two of the most beloved films of all time: *Gone with the Wind* and *The Wizard of Oz*. In 1939 Hollywood created an unprecedented number of great films, a year that has yet to be surpassed in cinematic achievement. In 1939 Hollywood's Greatest Year, Thomas S. Hischak looks at the most remarkable 365 days in film history. Arranged chronologically from January 1 to December 31, 1939, each entry covers one day and features major news events, national and international, as well as minor curiosities or news items that would prove to be more important in the future. The activities on Broadway, radio, the music business, literature, and other arts are included, as are noteworthy sporting events. Most significantly, this book provides a full description and commentary on the Hollywood movies that were released on that day. All 510 feature films from all the Hollywood studios are included in the book, along with notable shorts, cartoons, newsreels, and foreign releases. While others have looked at the movie highlights of this momentous year, Hischak evaluates Hollywood's entire screen output of 1939, from B pictures and serial installments to the international blockbusters, and every film in between. 1939 Hollywood's Greatest Year is a captivating look at this phenomenon and will fascinate any film aficionado. **The Kansas City Medical Index-lancet**, 1896 **Home Town News** Sally Foreman Griffith, 1989 During his long tenure as editor of the *Emporia Gazette*, William Allen White won nationwide fame as an author, political leader, and social commentator. But more than anything else, he became the national embodiment of the small-town newspaperman and all the treasured virtues that small towns represented in the minds of Americans. *Home Town News* is both a fascinating biography and a compelling social history. The book uses White's career to help us understand the role of journalism and the journalist in turn-of-the-century American culture. Far from being a simple chronicler of daily events, the small-town newspaperman carried considerable weight in his community, becoming a leading force in local business, a galvanizing influence in civic life, and a key political activist. In addition, *Home Town News* tells the story of Emporia, Kansas, during this period of social change, offering a richly textured description of small-town life that takes us beyond abstractions like modernization and boosterism to yield new insights into the processes that have shaped modern America.
