Slow Death 09:

Life Without Parole Ross Kleinstuber, Jeremiah Coldsmith, Margaret Leigey, Sandra Joy, 2022-04-19 This book is an in depth critical examination of all pertinent aspects of life without parole LWOP Empirically assessing key arguments that advance LWOP including as an alternative to the death penalty it reveals that not only is the punishment cruel while not providing any societal benefits it is actually detrimental to society Over the last 30 years LWOP has exploded in the United States While the use of capital punishment over that same time period has declined it must be recognized that LWOP is in fact a hidden death sentence It is however implemented in a way that allows society to largely ignore this truth While capital punishment has rightfully been subject to intense debate and scholarship LWOP has mostly escaped such scrutiny In fact LWOP has been touted by both death penalty abolitionists and by tough on crime conservatives which has allowed it to flourish under the radar Specifically abolitionists have advanced LWOP as a palatable alternative to capital punishment which they perceive as inhumane error prone costly and racially biased Conservatives meanwhile advocate for LWOP as an effective means of fighting crime a just form of retribution and necessary tool for managing incorrigible offenders This book seeks to tap into and help inform this growing debate by subjecting these key arguments to empirical scrutiny The results of those analyses fail to produce any evidence in support of any of those various justifications and therefore suggest that LWOP should be abolished and replaced with life sentences that come with parole eligibility after a maximum of 25 years The book will be of great interest to students and scholars of criminology and criminal justice and will also have crossover appeal into the fields of law political science and sociology It will also appeal to criminal justice professionals lawmakers activists and attorneys as well as death penalty abolitionists opponents of mass incarceration advocates for sentencing reform and supporters of prisoners rights

Feelings Lisa M. Corrigan, 2020-02-25 Honorable Mention Recipient of the 2021 Marie Hochmuth Nichols Award for Outstanding Scholarship in Public Address by the National Communication Association In the 1969 issue of *Negro Digest* a young Black Arts Movement poet then named Ameer Amiri Baraka published *We Are Our Feeling The Black Aesthetic* Baraka's emphasis on the importance of feelings in Black selfhood expressed a touchstone for how the Black liberation movement grappled with emotions in response to the politics and racial violence of the era In her latest book award winning author Lisa M Corrigan suggests that Black Power provided a significant repository for negative feelings largely Black pessimism to resist the constant physical violence against Black activists and the psychological strain of political disappointment Corrigan asserts the emergence of Black Power as a discourse of Black emotional invention in opposition to Kennedy era white hope As integration became the prevailing discourse of racial liberalism shaping midcentury discursive structures so too did racial feelings mold the biopolitical order of postmodern life in America By examining the discourses produced by Martin Luther King Malcolm X Stokely Carmichael Huey Newton Eldridge Cleaver and other Black Power icons who were marshaling Black feelings in the service of Black political action Corrigan traces how Black liberation activists mobilized new emotional repertoires

Let the Lord Sort Them Maurice Chammah, 2022-01-18 NEW YORK TIMES EDITORS CHOICE A deeply reported searingly honest portrait of the death penalty in Texas and what it tells us about crime and punishment in America If you're one of those people who despair that nothing changes and dream that something can this is a story of how it does

Anand Giridharadas *The New York Times* Book Review WINNER OF THE J ANTHONY LUKAS AWARD In 1972 the United States Supreme Court made a surprising ruling the country's death penalty system violated the Constitution The backlash was swift especially in Texas where executions were considered part of the cultural fabric and a dark history of lynching was masked by gauzy visions of a tough on crime frontier When executions resumed Texas quickly became the nationwide leader in carrying out the punishment Then amid a larger wave of criminal justice reform came the death penalty's decline a trend so durable that even in Texas the punishment appears again close to extinction In *Let the Lord Sort Them* Maurice Chammah charts the rise and fall of capital punishment through the eyes of those it touched We meet Elsa Alcalá the orphaned daughter of a Mexican American family who found her calling as a prosecutor in the nation's death penalty capital before becoming a judge on the state's highest court We meet Danalynn Recer a lawyer who became obsessively devoted to unearthing the life stories of men who committed terrible crimes and fought for mercy in courtrooms across the state We meet death row prisoners many of them once famous figures like Henry Lee Lucas Gary Graham and Karla Faye Tucker along with their families and the families of their victims And we meet the executioners who struggle openly with what society has asked them to do In tracing these interconnected lives against the rise of mass incarceration in Texas and the country as a whole Chammah explores what the persistence of the death penalty tells us about forgiveness and retribution fairness and justice history and myth Written with intimacy and grace *Let the Lord Sort Them* is the definitive portrait of a particularly
