Mahaney, Greg Somerville, 1996 Do you want to get on the fast track to Christian maturity Small groups provide the ideal context for working out our salvation together But not all groups are created equal Here s the difference most have considered the how of small groups but only a few have discovered the why Why Small Groups has been specially developed for group members and leaders alike Representing more than 95 years of combined pastoral experience the authors share a wealth of practical tips and principles to help your group reach its peak potential [How to Build a Small-Groups Ministry](#) Neal F. McBride, 1994-11 Written by a small groups expert this book is designed to help anyone build a small groups ministry from scratch or completely revamp an existing small groups ministry It includes 12 logical steps for organizing and administrating a successful small group ministry a case study featuring a local church in the midst of establishing a small group ministry and pages of worksheets for developing small group plans *Small Groups for the Rest of Us* Chris Surratt, 2015-09-29 Most churches in America struggle to have a significant percentage of their adult attendance in small groups According to recent research done by Lifeway Research only 33 percent of churchgoers attend classes or groups for adults such as Sunday school Bible study small groups or Adult Bible Fellowships four or more times in a typical month Fourteen percent attend two or three times a month Life transformation happens best within the context of community so if a church is going to be intentional about discipleship they have to develop on ramps to small groups that reach people on the fringes and beyond If we continue to offer small groups to the normal church attenders a majority of the people who show up to church are never reached Pastors church staff and small group leaders are trying to figure out how to make small groups work in their church and they don t know how *Small Groups For The Rest Of Us* gives them practical proven strategies on moving people from the fringes into biblically based communities [The Naked Truth about Small Group Ministry](#) Randall G. Neighbour, 2009-06-08 Tired of reading books by pastors of large churches who could put a stick in the mud and it would grow a fruit bearing tree in a week Exhausted with doing ministry the same way expecting different results Exasperated by the lack of ownership among the members of your existing groups Then this book is for you Pulling no punches Neighbour diagnoses the problems surrounding small group and cell group ministry in America today offering practical suggestions that work [Leading Small Groups with Purpose](#) Steve Gladen, 2012-02-01 For the new small group leader the seasoned leader who feels their small group lacks purpose or the leader who is itching to move their small group to the next level *Leading Small Groups with Purpose* is the road map to follow Steve Gladen author of *Small Groups with Purpose* and pastor of small groups at Saddleback Church for more than a decade takes small group leaders step by step toward a healthy dynamic group with focus and purpose Every chapter includes ideas that small group leaders can implement immediately as well as ways to shape their small groups over time Gladen helps leaders define success clearly develop a personal leadership plan invite members into the group and shepherd members through fellowship discipleship

Community That Is Christian Julie A. Gorman, 2002-06-01 Over the past thirty years there has been a boom in small groups both in society at large and within the church From Bible studies to MOPS to Alcoholics Anonymous it is estimated that four out of ten Americans belong to a small group that meets regularly for the care and support of its members But are these groups creating true biblical community or do they settle for self focus and personal gain Julie Gorman has studied small groups for decades and presents her analysis insights and suggestions in *Community That Is Christian* an essential resource for building community in church based small groups This comprehensive book serves both as a text for those who equip leaders or lead small groups and as an interactive manual for small group members helping them transform their relationships into Christ centered community The book begins with biblical support for coming together contrasting it with our often individualistic mind set that undermines community Gorman then sets forth the goals of community and describes the process of transformation She draws from extensive research to address the why and the how of small group ministry giving special attention to gender and cultural distinctions *Community That Is Christian* provides readers with charts

discussion questions and inventories to further help them establish community within their small groups **Leading Small Groups** Chris Surratt, 2019-05-01 Leading a small group can literally change the world We have been commissioned to make disciples who make disciples and Jesus showed us that the best way to carry that out is through small groups of believers Just like the first century church small groups form the foundation to take the gospel to the ends of the earth Chris Surratt Discipleship and Small Groups Specialist for Lifeway Christian Resources and author of *Small Groups for the Rest of Us* wants to help you get from here to there Regardless of whether you have never lead a small group or have been leading one for years all of us want to know how to create environments where spiritual growth takes place and communities are changed *Leading Small Groups* walks the reader through the stages of gathering launching leading and multiplying a gospel centered small group There are also follow up questions for discussion and reflection at the end of each section and practical resources that can be implemented immediately by the small group leader Jesus left his followers with a task the Great Commission This book will help small group leaders and churches in their obedience to this task **Simple Small Groups**

Bill Search, 2008-09-01 Over the past two decades small groups have gone from spontaneous gatherings among friends to a major and elaborate phenomenon in the church Many evangelical churches have some form of small groups ministry in place But there s just one problem says Bill Search what started as a simple get together has become a complicated process especially for small group leaders They are often not sure what is expected of them or what to expect from their groups as a result of their efforts In *Simple Small Groups* Search lays out the three C s of small groups connecting changing and cultivating This paradigm helps to simplify leading small groups in a way that is helpful rewarding and life changing Unlike
