Smith Collects Contemporary ,1991 Cleveland Collects Contemporary Art Tom E. Hinson,1998 **Contemporary Collecting** Kevin M. Moist,David Banash,2013-05-09 While the importance of collections has been evident in the sciences and humanities for several centuries the social and cultural significance of collecting practices is now receiving serious attention as well As reflected in programs like Antiques Roadshow and American Pickers and websites such as eBay collecting has had a consistent and growing presence in popular culture In tandem with popular collecting institutions are responding to changes in the collecting environment as library catalogs go online and museums use new technologies to help generate attendance for their exhibits In *Contemporary Collecting Objects Practices and the Fate of Things* Kevin M Moist and David Banash have assembled several essays that examine collecting practices on both a personal and professional level These essays situate collectors and collections in a contemporary context and also show how our changing world finds new meaning in the legacy of older collections Arranged by such themes as *Collecting in a Virtual World* *Changing Relationships with Things* *Collecting and Identity* *Personal and Political* and *Collecting Practices and Cultural Hierarchies* these essays help illuminate the role of objects in our lives Covering a breadth of interdisciplinary perspectives and subjects from PEZ candy dispensers and trading cards to sports memorabilia and music *Contemporary Collecting* will be of interest to scholars of cultural studies anthropology popular culture studies sociology art history and more **Jaune Quick-to-See Smith** Carolyn Kastner,2013-10-15 The first full length critical analysis of the paintings of Jaune Quick to See Smith this book focuses on Smith s role as a modernist in addition to her status as a wellknown Native American artist With close readings of Smith s work Carolyn Kastner shows how Smith simultaneously contributes to and critiques American art and its history Smith has distinguished herself as a modernist both in her pursuit of abstraction and her expressive technique but too often her identity as a Native American artist has overshadowed these aspects of her work Addressing specific themes in Smith s career Kastner situates Smith within specific historical and cultural moments of American art comparing her work to the abstractions of Kandinsky and Mir as well as to the pop art of Rauschenberg and Johns She discusses Smith s appropriation of pop culture icons like the Barbie doll reimaged by the artist as *Barbie Plenty Horses* As Kastner considers how Smith constructs each new series of artworks within the artistic social and political discourse of its time she defines her contribution to American modernism and its history Discussing the ways in which Smith draws upon her cultural heritage both Native and non Native Kastner demonstrates how Smith has expanded the definitions of American and modernist art

Contemporary Poetry Archive Linda Anderson,2019-05-23 Explores critical and creative responses to the contemporary poetry archiveProvides an innovative new dialogue between critics and creative writers on the value and practice of the literary archiveExpands the scope for understanding perspectives on and the opposition between creative and critical relations to archival materialsOpens up a new cross disciplinary agenda for thinking the archive as both a source

for scholarship and a source of inspiration for creative practice These 13 newly commissioned chapters examine the impact of archival poetry collections on both literary scholarship and poetic practice They examine what we can learn from the drafts notebooks and personal libraries left behind by poets and look at the ways in which the growth of poetry archives has changed the way poets think about their work The contributing poets and scholars including Susan Howe Sean O'Brien and George Szirtes present an in depth account of the significance of poetry archives for contemporary literature The collection provides a new cross disciplinary agenda for thinking about the archive as both a source for scholarship and inspiration for creative practice Contemporary Review, 1887 Contemporary Southern Literature Howard Mumford Jones, 1928
