So Long Daddy:

Daddy's Prisoner Megan Lloyd Davies, Alice Lawrence, 2009-10-01 In April 2008 the world watched in horror as the news of Josef Fritzl made worldwide headlines But for one British woman the story was not the stuff of unimaginable nightmares Alice Lawrence knew all too well the torture suffered at the hands of a father whose depravity knew no bounds She too was kept prisoner and repeatedly made pregnant and it was only after the death of one of her babies that she finally found the courage to escape Born in 1970 Alice grew up in the impoverished backstreets of an industrial Northern town with her parents and seven brothers and sisters She was first raped by her father when she was 11 From the age of 15 she was made pregnant six times by him in an effort to secure additional state benefits All but one of her pregnancies failed but her daughter never made it through her first year The death of her baby was the spur to Alice bringing her father and abuser to justice Finally Alice can tell her deeply moving story of recovery from abuse

Daddy's Special Little Girl Jody Lynn Enders, 2023-05-11 Is it possible to describe the confusion and shame I felt every time daddy came to my bedroom and used me to fulfill his sexual perversion Is it possible to describe the fear that consumed me when I thought I was pregnant with my dad's baby Daddy's Special Little Girl is a heart on your sleeve memoir about growing up in an abusive home with five siblings an alcoholic father and a courageous mother about desperate attempts to cope with unbearable pain about surviving the betrayal and devastation of incest and the rejection of divorce about God's forgiveness and healing The author bares her soul as she takes you on an inconceivable journey that includes graphic scenes of her abuse honest exposure of her own sin paralyzing anguish and sorrow she endures and raw emotions as she accepts her dad's prison sentence and death You will weep as you read about the heartbreaking encounters and effects of the hideous crime of incest You will rejoice as you experience the forgiveness love and support this family had for their dad and each other In Daddy's Special Little Girl Jody reveals the lingering devastation of a family crime no one wants to talk about Her transparency is disarming her case compelling and her focus on healing For the thousands who have experienced the pain of incest the book points the way to help For those who would like to believe that these things don't happen in Christian homes Daddy's Special Little Girl will explode the myth Gary D Chapman Ph D Author of *The Five Love Languages*

Daddy's Girl Charlotte Vale-Allen, 2009-04 On Writing Daddy's Girl After I had been through many versions of the manuscript written over almost a decade I decided that for this book to have validity it would be necessary not only to show the past but also to give a picture of the present illustrating how the events of my childhood affected me at the time as well as later in life as an adult and a parent Given that I wrote the book in the first place as a document that I hoped would be useful to others who'd suffered abuse and also to professionals I felt it was very important to present detailed portraits of the child I was and the woman I grew to be in large measure as a result of trying to cope with the long term effects of the abuse As well I thought it was vital to illustrate how fallout from the abuse can be felt down through the generations if one fails to exercise awareness and caution So the book

weaves back and forth between past and present the present being 1979 when the final version was completed I also had to decide at the very start whether I was going to dole out snippets of truth or be completely truthful and address the issue as fully as I was able There seemed no point to writing an autobiographical account of incest if I was going to be anything less than completely truthful It was not difficult to tell the truth nor was the writing of the book a cathartic experience as many have imagined it to be The fact is that I had long since confronted my personal demons and had managed to relegate the past to the past something exceedingly difficult for many victims of any all forms of abuse to do A few years ago in correcting the page proofs of a new British edition of the book I reread DADDY S GIRL and was gratified by what I d written Often with my novels I am not at all happy when I reread them I think that as an author I have little if any objectivity about my work once it s completed and so am not necessarily a good judge of it But I am proud of DADDY S GIRL Since its publication in 1980 it has been of help to a lot of people And ultimately it s my way of returning some measure of the kindness and attention people showed me when I was working my way along the rough roadway toward my future *Daddy's Girls* Suzanne

Gold,2000-11-17 Daddys Girls is a rich yet simple family tale of love madness and spirit told in the three first person points of view of its three women Overlapping vignettes create a vivid patchwork of lifes defining moments to reveal dark forces lurking beneath the familys typical middle class veneer as they struggle to love one another The story is fiction with a dash of magical realism but the inspiration is autobiographical Daddys Girls recently received a glowing review from Terry Mathews of Bookbrowser com She calls it A book that will speak to you on many levels that can alter your perception of the world broaden your horizons and urge you to think outside the box The best book Ive read since Cunninghams THE HOURS And Ruth Williams author of Younger Than That Now says Daddys Girls is a luxuriant narrative telling the stories of three complex women two sisters and their mother and how their lives are impacted by the mental illness of one A fascinating and obviously well informed look at heartbreaking realities This is a book written from the heart [Daddy's Girl](#) L.
