Poetry of Emotions Sanydee Myers,2011-06-30 This book is about pain and love sex and tears Poetry comes from the soul of a person and not just words You have to feel it to speak it The poems in this book will make you laugh cry scream and maybe have an orgasm Each poem is a part of me whether it is good or bad From Mother Mother Mother to Wasted I write how I feel at that particular moment My life has been a struggle with relationships and I have learned to make a change I hope that this book will brighten up someone day Bright light dark night the reflection of my soul Candle light brightens the night my soul is now so cold Dem light closes the night my soul is out of place No light black night my soul now hides my face
