*Southern Nights* Barry Gifford,2019-01-15 God in these Southern Nights is only another possibly deranged near relative cast in the only nonspeaking part in this human drama Everyone else talks and talks And it s the dialogue in these novels that makes them three of Gifford best reminders of the author s seemingly unlimited range and versatility a comic tragic genius for our time Night People Arise for the copious raw violence for the invented religions and gods that make people do things and for all the other horrors that somehow cohabit affably with the genuine pathos and loveliness of the many unforgettable characters and the things these characters say so winningly that we ve never heard anyone say before **Southern Nights**
