My Summer of Southern Discomfort Stephanie Gayle, 2008-05-06 Today is Monday The calls do not come as before Weeks elapse between them and when I answer the phone there is no overlap of voices only my mother's She spends much of the conversation avoiding mention of the pink elephant trumpeting in the middle of the room The pink elephant would be my defection to Georgia When I telephoned with the news of my imminent relocation my father asked Georgia as in the Republic of Georgia by the Black Sea or Georgia as in the Peach State He hoped I meant the former because that Georgia promised unique opportunities to advance the democratic cause of justice What could Georgia former land of the Confederacy offer Convicting arsonists and thieves in Macon Georgia was never Harvard Law grad Natalie Goldberg's dream The pay is abysmal the work is exhausting and the humidity is hell for a woman with curly hair But when a steamy romance with her high powered New York boss went bad Natalie jumped at the first job offered packed her bags and headed south Natalie's leftist Yankee background brands her a conspicuous outsider in this insular community Her father a famous civil rights lawyer refuses to accept her career change or talk to her Her best friend begs her to come back home and Natalie keeps thinking she sees her former lover everywhere But Natalie's not completely alone There are a garden obsessed neighbor a former beauty queen turned defense attorney and a handsome colleague who has a nervous tic whenever she gets near And then there's a capital case that has her eating antacids by the truckload Yep it's going to be one heckuva long hot summer

born in 1953 in a tiny Mississippi town close to the Alabama border where the legacy of slavery and racial injustice still permeated every aspect of life On the outside Tena s childhood looked like a fairytale Her father was one of the richest men in the state her mother was a regal beauty The family lived on a sprawling farm and had the only swimming pool in town Tena was given her first car a royal blue Camaro at twelve But behind closed doors Tena s family life was deeply lonely and dysfunctional By the time she was three her parents marriage had dissolved into a swamp of alcohol rampant infidelity and guns Adding to the turmoil Tena understood from a very young age that she was different from her three older sisters all of whom had been beauty queens and majorettes Tena knew she didn t want to be a majorette she wanted to marry one On Tena s tenth birthday her mother emboldened by alcoholism and enraged by her husband s incessant cheating walked out for good instantly becoming an outcast in their society Tena was left in the care of her nanny Virgie even though she was raising nine of her own children and was not allowed to eat from the family s plates or use their bathroom It was Virgie s acceptance and unconditional love that gave Tena the courage to stand up to her domineering father the faith to believe in her mother s love and the strength to be her true self Combining the spirit of brave coming of age memoirs such as *The Glass Castle* and vivid evocative Southern fiction like *To Kill a Mockingbird* *Southern Discomfort* is an unforgettable southern story that sings brightly to the incredible strength of family ties and the great power of love *The Atlanta Journal Constitution* and is destined to become a new classic
