

A decorative banner with a black and white design. At the top left, a guitar is shown in profile, its neck extending across the top of the banner. At the bottom right, an open book is depicted, its pages fanning out. The banner itself is a wide, slightly curved shape with a double-line border and ornate, scroll-like flourishes at the corners. Inside the banner, the words "SOUTHERN" and "SONGS AND STORIES" are written in a bold, black, serif font with a 3D effect. The word "SOUTHERN" is on the top line, and "SONGS AND STORIES" is on the bottom line. The word "AND" is smaller and written in a cursive script between "SONGS" and "STORIES".

Eric Banister considers the best songs to emerge from the bands who made Southern rock what it is Banister examines the impact of the songs on the society and culture of devoted fans and delves deep into the history and production of each song Featuring such well-known bands as the Allman Brothers Band and Lynyrd Skynyrd as well as less visible groups like Blackhorse and Heartsfield this book is the perfect introduction for both newbies and dedicated fans
