Speculation And Revelation:

From Speculation to Revelation Bishop Donmaid Brooks, 2014-01 *From Speculation To Revelation* is a literary work explaining the Bible and it is second to none After reading this book you will ask how did I not know this After all I have been in church all my life or I attended the best theology school I ve been a preacher pastor bishop Bible teacher etc all these years Why And where was the truth hidden from me What you will discover is God gives revelation of the Scriptures not man Bishop Brooks an ex con man a jailhouse resident you could say He became hungry for God and His truth while incarcerated He had heard all the speculations about what God said and he wanted truth he asked God and God gave him the revelation One may ask why did God give such a revelation to a man of his caliber His work verifies that God is just and He gives to those who ask no matter who Great Theologians are stunned by his work but yet they agree This book removes all confusion for the new baby Christian about what denomination holds the truth Know that only God can reveal truth to you The author tears down speculations and fills the empty space with revelations such as The reason why God respected Abel s offering and did not respect Cain s offering Showing how there are no contradictions in the Bible Proving that the New Covenant New Testament did not start in Matthew Showing who the twelve apostles gospel was really for and so much more This book will certainly cause you to revisit the scriptures and to ask God for a clear revelation You will no longer be content just sucking in what others have to say no matter who
