Swan Song Mali Berger,2011-05-23 Swan Song The Great Magical Unknowing Elegance emerged from a desire to write an inside story an autobiography of the dream muse and odd vision that never quite lets go of our memory These inner senses from childhood to old age wanted a book in fact demanded one I recalled a story about an old wisdom woman in Ireland who each morning chose one of her lifetime journals let it fall open to any page and then spent her rocking chair days remembering that single day out of her years Climbing a ladder I pulled down twenty five years of dated journals stacked them on a wooden table and proceeded to draw out memorable events that I used for Book One of Swan Song created in New York City It was becoming a novel with actual events that I had lived However something totally mysterious occurred I began to experience the strangest dreams of my life Several times a week I would find myself in Medieval Galway Ireland in a poor tenement or slum in the loft of Brian I was telling him that he and his love must leave because bad times were coming Brian saw me wasnt afraid believed my words and made plans for himself and his love Daniela to immigrate to New York I dont want to tell readers anything else about the dreams or how they took over the novel and my life as I flew from JFK to Galway to dream the story on location I have known for a long time that the inner senses control our outer physical life Not the other way around We are taught that what happens during our awake days may become dreams Wrong Our dreams come first and regulate our physical days Many years ago I read a few of Jane Roberts Seth books Now in the midst of Swan Song his ideas flowered again Thus the autobiography fiction and research novel took on a whole new life and my inside story truly became The Great Magical Unknowing Elegance Steenie Alloway's Adventures ,1879*
