Still Single:

Why You're Still Single Evan Marc Katz, Linda Holmes, 2006-05-30 Why You're Still Single is not about chasing men so you will not need a butterfly net. It is not about making them chase you because they are not wolves and you are not a bunny. Relationship experts Evan Marc Katz and Linda Holmes do not suggest that you treat men like hostile alien presences. Pretend you don't understand football, buy padded bras, or refuse to call people back. But the benefit of other people's experience might point out a few things that are tripping you up, no matter how much of an amazing, smart, hot, totally worthwhile ass-kicker you may be. As a general rule, they recommend honesty, usually playing fair, shutting up sometimes, speaking up other times, respecting that voice in your head that says "You're doing WHAT, making compromises knowing when to cut bait, good sex, giving yourself a break, being needlessly generous, and periodically leaving your apartment." They don't recommend pretending to like what you don't like, treating, winking, and giggling like a "Get Out Of Jail Free" card, testing people's stubbornness, martyrdom, talking everything to death, and convincing yourself that you're desperate. *How Are You Still Single?* Ashley Rodabaugh, 2020-02-02 How Are You Still Single? It's a question usually asked by older generations to a growing population of single men and women traversing an online dating world. The truth is, most single people ask themselves the same questions as they go on bad date after bad date. Written with a wry sense of humor and an authentic voice, the book is a real-life portrayal of a thirty-two-year-old woman's journey to find love. From grade school to grad school and into adult life, you'll meet the many men she's met throughout her lifetime as her dating life evolves from instant messenger to the modern dating apps. All the men she's dated have names similar to the ones you or your friends have dated. Whether it's TheOneYouMeetWhenYou'reNotLooking, TheOneYourFriendRecommends, or Mr TooMuchTooSoon, you'll find someone you've met before. They each have a unique love story with a common ending until she meets TheOne. Come along this author's love journey as she explains how hard dating is for some people and find out if TheOne can finally provide the answer she's been looking for to explain why she's been single for so long. **If I'm So Wonderful, Why Am I Still Single?** Susan Page, 2013-09-25 Behold a wonderful, romantic self-help book that is intelligent, upbeat, practical, useful, winning, and even wise. Kirkus Reviews: If you want to find your soul mate, you first have to know yourself. If I'm So Wonderful, Why Am I Still Single offers intelligent, practical guidance to singles looking to improve their romantic relationships by getting to know their own past patterns and relationship needs. Readers will find quizzes, case studies, and anecdotes from the author's decades of experience as a counselor to both couples and singles. Each aspect of the book is tailored to help readers figure out what they really want and learn not to settle for less. Translated into twenty-two languages, If I'm So Wonderful, Why Am I Still Single has become a modern classic that's helped countless people understand their own romantic motivations and find the partner they're looking for. Men and women who want permanent partners will benefit from her 10 strategies that will change your love life forever. An engaging guide. Publishers Weekly. *Why Am I Still Single?* Shay Stone, 2012-09-01 Jacket

Text How many times have you listened to a friend or coworker drone on about her disastrous love life completely baffled by the fact that she is still single while you politely bite your tongue to keep from revealing what you're really thinking Really Cause boy do I know why you're single lady It's obvious to you and everyone else in her life why she can't keep a man After all if you had a Y chromosome or batted for the other team you wouldn't date her either She is too Fill in the blank Clingy Depressing Obsessive Slutty Self absorbed Insecure But of course you could never tell her that No one can Not her mom sister or best friend She would hate you if you did Or maybe you are the annoying friend or coworker Maybe you've been so busy venting about your last breakup that you missed those glazed over expressions on your friends faces Did they mumble things like He wasn't good enough for you and There are plenty of fish in the sea Maybe that's code for Pardon me Sorry to interrupt Could you please hand me that fork I want to jab it in my eye Whether you're the lonely one on date night or your drama filled friend is this book will help you to arm yourself with information for your next relationship or to learn new phrases for that heart to heart talk with your girl who is tired of the single life It's time to cut the crap It's time for advice from someone who doesn't sugar coat and who has listened attentively for more than 20 years to her male friends vent about what women do that drives them crazy She isn't a girly girl dishing advice She isn't a man trying to explain to women why they suck She is a woman interpreting a man's perspective to help women who don't love the single life to get back out there and be a better partner You'll find anecdotes explanations homework and even quotes from the author's male friends about each type of woman discussed Are you ready to take a good hard look at what women really do to sabotage their own happiness
