

Thailand's Boom and Bust

By Pasuk Phongpaichit and Chris Baker

CHIANG MAI, THAILAND: SILKWORM BOOKS, 1998
368 PAGES

Thailand's *Boom and Bust* is an examination of both the fundamental changes and subtle developments associated with Thailand's decade-long economic expansion that ostensibly started in the mid-1980s. In my view, Phongpaichit and Baker do a fine job of steering clear of indulging in what often tends to be a dry and worst yet, one-dimensional economic analysis of Thailand's experience during the aforementioned period. At first glance, it might appear as if the authors embark on a rather overly ambitious task of providing any meaningful assessment of the boom and bust on the varied spheres of Thai society. Yet the reader will find a tightly knited, edifying, and provoking look at the genesis of boom and its impact domestically. Beyond examining the sources and economic consequences of the expansion and subsequent bust, the authors address social, cultural and political implications associated with the decade-long prosperity. In this respect, the twelve chapters of the book incorporate a reasonably healthy dose of political and social changes to paint a fairly inclusive picture of the transformation of Thailand.

Early on in the book, Phongpaichit and Baker effectively set the framework for their analysis by marrying the domestic ingredients and international forces that propelled Thailand's economic growth. In the case of the former, they ground their discussion in a fairly crisp yet illuminating overview of the rise of the Chinese bourgeoisie and its historical imprint on the commercial/industrial landscape in Thailand. This discussion nicely captures the emergent and mutually reinforcing relationship between the commercial/industrial class and the politico-military establishment. It is followed by a sufficiently detailed examination of the impact of Japanese and other multinational capital in the 1980s, coupled with an assessment of the state's development strategy up to and during the boom. Unlike what one often encounters in various pedestrian recapitulations of the apparent "developmental state" in Thailand, the authors' nuanced, yet not unduly protracted analysis of the state's role clears the clutter somewhat and sets apart the dynamics of state involvement in Thailand relative to its counterparts in East Asia. To be sure, they don't dismiss the view that the state has played a strategic role including giving shape to the manufacturing-based, export-led growth, yet the discussion provides the reader with a deeper appreciation of Thailand's peculiar experience.

It is the second half of the book, which focuses on the social and political implications of the economic boom (and subsequent decline), that frankly is the foremost contribution by the authors. In separate chapters, they take up a wide range of issues clustered around labor force changes, urban social/cultural change, transformation of rural society, and political reform and the ostensible process of democratization unleashed during the decade of rapid economic growth and decline. These chapters are substantively self-contained and resemble distinct "case studies." Hence, teachers will find that they could readily use any combination of the chapters in the latter half of the book that best suit their needs/interests without compromising the overarching theme of the book. Although the chapters are by-and-large engaging and the authors nicely integrate a substantial body of research into their analysis, one would be hard-pressed to contend that there is anything particularly groundbreaking in the book.

Perhaps it's the sociologist in me, but I have to say that the chapter on "City Thais," which provides an assessment of the reverberations on popular culture and urban life emanating from the economic boom, offers a refreshing twist to the book. There is little doubt that this chapter will be eye-catching and rather popular among students. Given that popular culture and related lifestyle themes are not exactly the staple in political economy scholarship, from a pedagogical standpoint this chapter would be an effective resource for impressing upon students the versatility and interdisciplinary nature of political economy.

To be sure, the book as a whole is integrated and balanced in its treatment of the costs and consequences associated with the boom and bust. Further, it is not encumbered by undue specialized jargon. On the contrary, one of the virtues of this book is its accessibility. The authors essentially relegate the task of framing or contextualizing their discussion in the extant theoretical debates about the Asian economic miracle. Indeed, there is barely a minimalist, theoretically relevant commentary by way of a passing acknowledgement in the last chapter. In this respect, anyone wanting to delve into even a marginally meaningful consideration of the theoretical debates associated with Asian development would need to adopt a relevant supplement to go along. The book would be best suited for an undergraduate college audience under the tutelage of a Southeast Asianist. At any rate, it deserves serious consideration from teachers looking for a valuable "centerpiece" in a course focusing on the political economy of Thailand, but it could also just as easily be used, in conjunction with other materials, in a course on Southeast Asia. ■

SUNIL KURRIGIA is Associate Professor of Comparative Sociology at the University of Puget Sound in Tacoma, Washington. His areas of interest include Southeast Asia, sociology of development, and international political economy.

Thailands Boom

Lynn T White

Thailand's Boom:

Thailand's Boom! Pasuk Phongpaichit, Christopher John Baker, 1996 Thailand has changed more than almost any country over the last decade with its transformation into an Asian Tiger providing on the one hand tremendous prospects for economic growth but at the same time social and environmental upheaval Boom

Thailand's Boom and Bust Pasuk Phongpaichit, Christopher John Baker, 1998 Completely revised since its first publication in 1996 this book is about the transformation of a country over one roller coaster decade It is about the economics of boom and bust but also about politics social changes and popular culture Digs much deeper than the superficial analyses of business trends to explain how a whole society is being transformed by an industrial revolution of unprecedented speed Financial Times of London

Political Booms: Local Money And Power In Taiwan, East China, Thailand, And The Philippines Lynn T White, 2009-06-10 Why have Taiwan rich parts of China and Thailand boomed famously while the Philippines has long remained stagnant both economically and politically Do booms abet democracy Does the rise of middle classes promise future liberalization Why has Philippine democracy brought no boom and barely served the Filipino people This book unlike most previous studies shows that both the roots and results of growth are largely political rather than economic Specifically it pays attention to local not just national power networks that caused or prevented growth in the four places under consideration Violence has been common in these polities along with money Elections have contributed to socio political problems that are also obvious in Leninist or junta regimes because elections are surprisingly easy to buy with corrupt money from government contracts Liberals should pay more serious theoretical attention to the effects of money on justice and Western political science should focus more clearly on the ways non state local power affects elections By considering the effects on fair justice of local money and power largely from small and medium sized firms that emerge after agrarian reforms this book asks democrats to face squarely the extent to which electoral procedures fail to help ordinary citizens Students and scholars of Asia will all need this book as will students of the West whose methods have become parochial

Thailands Boom Introduction

In the digital age, access to information has become easier than ever before. The ability to download Thailands Boom has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Thailands Boom has opened up a world of possibilities. Downloading Thailands Boom provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Thailands Boom has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Thailands Boom. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Thailands Boom. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Thailands Boom, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Thailands Boom has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Thailands Boom Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Thailands Boom is one of the best book in our library for free trial. We provide copy of Thailands Boom in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Thailands Boom. Where to download Thailands Boom online for free? Are you looking for Thailands Boom PDF? This is definitely going to save you time and cash in something you should think about.
