**Empty Pillows: Healing Matters of the Heart** Michael Taylor, 2022-06-20 Empty Pillows Healing Matters of the Heart Trilogy I Empty Pillows series is about Men and Women looking at the choices they make when it comes to relationships Empty Pillows is not about pointing fingers at one's love interest but rather looking at one's own decision making skills Empty Pillows focuses on why we allow bad people into our lives and blame them when the relationship goes bad Empty Pillows helps people to look strongly at themselves Readers have summed up Empty Pillows to be a therapeutic book a self help book an introspective book a thought provoking book a step by step book not a man bashing or a woman bashing book Additionally Empty Pillows is about being the right individual for the right individual No man or woman can be the right one for the wrong person If he or she is wrong for you then you are wrong for them too

**The Spirit of the Lord is with Me** Dianne Lenoir, 2014 It goes without saying that the times in which we live are precarious ones at best The troubles of the world can overwhelm confound displace and stifle all that we have and all that we are Very often we need a reminder that there is a comfort in our times of sorrow there is a reward for our troubles there is a restful balm when we are too tired to keep going The poems in this collection serve as ever present reminders of God's love and care for us whatever we might be facing This collection tells the reader of the great solace to be found in God's love It provides a way for the reader to connect with his/her own soul in order to connect that same soul with the Almighty Here the reader is invited to step away from all that keeps us disconnected to Slow down and walk with God so close To hear the whisperings of His sweet Soul These lovingly crafted poems highlight the themes of kindness solace love and inspiration They are divinely inspired to offer the reader a slow contemplative word in these fast times a gentle reminder that the Spirit of Him is within us all if we simply ask for it

*People Change Like Seasons* Tahreem, 2023-05-05 At first I thought I finally got over all of those life chapters while writing But somewhere inside of me I wasn't healed from all of that at all I don't feel the same anymore Is It because I finally realized That I've been living for others All this time And not for myself Was I living for others and felt happy Did I not live for myself all this time It feels like a withdrawal symptom How long will this last I want to feel again Do I have to live for myself for that But no one has ever taught me how to live How to love me I learned how to love others I learned how to live with others For others To make them happy made me happy I never learned how to live and love myself Is that why I'm feeling weird Because I want to make myself happy Is that so I don

t feel the same anymore I don t feel different either So what is this feeling Is this even a feeling I don t even know anymore Is it because of the people I have lived for For someone like me they d choose not to die for Have I lost myself by gaining you
