That Unknown Day:

THE DAY CODE Jeffrey R. Horton,2013-08-27 God s Day Code is one of the most prominent and significant features of the Bible It is based on the principle that God views a thousand years as but one Day in His sight Since so much of end time prophecy is written from this heavenly perspective this key unlocks the true meaning of many prophecies concerning the Lord s return Learn how the plan of redemption is based on a great Week of thousand year Days and how this marks our generation for Christ s return Learn why the Church has always lived in the last Days why Jesus compared our time with the days of Noah and how to reserve your own chariot of fire for the rapture
