That April

William Henry Hudson

That April:

That April in Santa Monica Melody DeBlois, 2019-10-23 Madison receives acclaim for running a talent agency for people with disabilities but she doesn't know how to take care of herself. When her altruism becomes life-threatening, a matter of either developing healthy habits or die, she joins a reality TV show that pairs her with hot raven-haired Brandon. He is witty, sexy, and her teacher. That makes him off-limits. After a successful run on a soap opera, Brandon stepped away from empty fame and now focuses on his work as TV's most noted health teacher. He has one fast rule: never fall for a student. But when he meets Madison, their chemistry is combustible. There's no hiding their conflict or their attraction, especially when it's all caught on film.
