That First Affair:

The First Affair Emma McLaughlin, Nicola Kraus, 2013-08-27 The 1 New York Times bestselling authors of The Nanny Diaries return with a convincing portrait of a damaged young woman whose head is turned by the attentions of a dashing and powerful political figure An utterly absorbing page turner Booklist I was twenty two years old only three weeks out of college I thought my whole life was beginning then he kissed me Jamie McAlister has resigned herself to the fact that in this job market her painfully expensive degree might only get her a position at Starbucks when she suddenly lands a prestigious internship at the White House Although she doesn't hit it off with the other interns who come from so much money that ten weeks without a paycheck doesn't faze them she is eager to work hard and make the best of the opportunity while it lasts An unexpected encounter late one evening with the charismatic President Gregory Rutland seems like just a fleeting flirtation but when he orchestrates clandestine meetings and late night phone calls their relationship quickly escalates Jamie knows what she is doing is wrong he's married he has kids he's the President Yet each time she tries to extricate herself Greg pulls her back in With the conflicted desires of the most powerful man in the world driving her to her breaking point Jamie can't help but divulge intimate details to those closest to her But she must have confided in the wrong person because she soon finds herself and everyone she cares about facing calculated public destruction at the hands of Greg's political enemies and perhaps no matter how much he cares about her at the hands of Greg himself *A Declaration of the Affairs of the English People that First Inhabited New England* Phineas Pratt, 1858 *I Am Not Intelligent* Oscar Bond, 2011-06-01 This book I am not intelligent gives importance to the mad mentally ill schizophrenia people to show them humanity and love than trying to make them brave and explaining the right thing to make them intelligent persons When good time came they will become cured but until that we have to show them love and care as the mental illness disease not visible or understood by others like physical illness Also the hearing voice disease was not accepted as disability in countries like India There the doctors say it was a disease which will be cured one day but not sure when it will cure This book is having a mixture of subjects that a general novel has This is not only a psychological novel it was a secret scientific novel Three generation story poems short story SMS affection affair the main characters regional famous people's history thrilling movements not much lengthy and speedily moving novel To create awareness of about mind control which is not accepted by the present world may be proved in future I wish for all readers this book will be interesting and useful to their lives The main chapter is TALKING WITH VIP S of the whole world as Balu the main character was the idea and opinion giver to them Everyone in the world must read it The author wishes to hear reader's opinion about this book through the e-mail Id oscarbond rediffmail com HEARINGS BEFORE THE SUBCOMMITTEE OF THE COMMITTEE ON MILITARY AFFAIRS UNITED STATE CONGRESS SENATE ,1919
