That Goddeb:

The Goddess's Illusion Katherine Dotterer,2024-05-21 The Regency inspired kingdom of Calatini is filled with magic and tender romance But even in Calatini magic comes with a cost and sometimes a curse can become a blessing Kit the young widowed Countess of Blaine must remarry She s already chosen the perfect husband except she can t stand his kisses But on Longnight the Goddess blesses her with a powerful illusion Kit shall appear a hideous crone until she becomes who she was meant to be Before anyone from court sees her she flees to the one person she knows shall help Mel the gentleman she loved as a girl who is now a priest for the Goddess Mel the middle son of a wealthy duke but called to serve the Goddess has been avoiding Kit since discovering her cruel lies separated his brother from the girl he loved But when Kit begs Mel for his help he feels compelled to agree for the sake of the devout and tender girl he d once loved But no one can break the Goddess s illusion not even a wise elf or a powerful seer So with Mel s support Kit settles into life at the Goddess s temple She and Mel continue to clash and those clashes soon lead to passionate kisses ones she actually enjoys But a priest would never marry an unworthy lady like her and she can t live the rest of her life as a crone Somehow Kit must break her unwanted illusion forget about Mel and return to court where she belongs Yet the Goddess s plans are not so easy to foil and she has other ideas for Kit and Mel The Goddess s Illusion is perfect for fans of *The Undertaking of Hart and Mercy* with the outpouring of magic fantasy and clean romance that make the Calatini Tales beloved As I continue to read the stories in the Calatini world I m completely captured by the writing of Katherine Dotterer the romance in this is mostly clean and certainly swoonworthy

The Goddess Myth in Contemporary Literature and Popular Culture Mary J. Magoulick,2022-02-04 Honorable Mention for the 2022 Elli K ng s Maranda Prize awarded by the Women s Section of the American Folklore Society Goddess characters are revered as feminist heroes in the popular media of many cultures However these goddess characters often prove to be less promising and more regressive than most people initially perceive Goddesses in film television and fiction project worldviews and messages that reflect mostly patriarchal culture included essentialized gender assumptions in contrast to the feminist empowering levels many fans and critics observe Building on critiques of other skeptical scholars this

feminist folkloristic approach deepens how our remythologizing of the ancient past reflects a contemporary worldview and rhetoric Structures of contemporary goddess myths often fit typical extremes as either vilified destructive dark and chaotic typical in film or television or romanticized positive even utopian typical in women s speculative fiction This goddess spectrum persistently essentializes gender stereotyping women as emotional intuitive sexual motherly beings good or bad precluded from complex potential and fuller natures Within apparent good over evil pop culture narrative frames these goddesses all suffer significantly However a few recent intersectional writers like N K Jemisin break through these dark reflections of contemporary power dynamics to offer complex characters who evince hopepunk They resist typical simplified reductionist absolutes to offer messages that resonate with potential for today s world Mythic narratives featuring goddesses often do but need not serve merely as ideological mirrors of our culture s still problematically reductionist approach to women and all humanity

Cambridge Companion to Feminist Theology Susan Frank Parsons, 2002-07-04 Feminist theology is a significant
movement within contemporary theology The aim of this Companion is to give an outline of feminist theology through an
analysis of its overall shape and its major themes so that both its place in and its contributions to the present changing
theological landscape may be discerned The two sections of the volume are designed to provide a comprehensive and critical
introduction to feminist theology which is authoritative and up to date Written by some of the main figures in feminist
theology as well as by younger scholars who are considering their inheritance it offers fresh insights into the nature of
feminist theological work The book as a whole is intended to present a challenge for future scholarship since it critically
engages with the assumptions of feminist theology and seeks to open ways for women after feminism to enter into the
vocation of theology
