## **That Infernal Triangle:**

*That Infernal Triangle* Mark Ashton, 1981-01-01      **The infernal triangle** ,1998      Destry Clair Huffaker, 1963      The Infernal Triangle Barbara Toner, Tessa Wood, 1987      Infernal Triangle Paul McGeough, 2011 It's been ten years since Al Qaeda demolished the World Trade Center in New York on 11 September 2001. One of the most pivotal events in the last fifty years it was a dramatic moment in which having previously vanquished the threat of Russian Communism the USA discovered that it had a new enemy to confront Islamic extremism. And so began the September 11 decade. Paul McGeough was in the streets of Manhattan on that fateful day in September 2001. No journalist has monitored more closely the fallout from those destructive minutes for Afghanistan for Iraq and for the never ending conflict between Israel and the Palestinians in The Levant. Together these three locations are the Infernal Triangle from which America has been unable to extricate itself. McGeough has enjoyed access to all the main players in these unfolding events. But more than that he has been prepared to observe at close quarters both the fighters and the citizens involved recording their hopes and fears their triumphs and tragedies. He has been present at the death of colleagues he joined the historic Peace Flotilla that attempted to bring supplies to Gaza. Through his vivid and eloquent journalism we gain new insights into some of the most critical events of the last decade.      Blood in the Face (revised new edition) James Ridgeway, 2025-01-14. In 1990 **BLOOD IN THE FACE** The Ku Klux Klan Aryan Nations Nazi Skinheads and the Rise of a New White Culture was the first book to uncover the contours beliefs leaders and wider influence of the American racist far right movement. It told their story from the inside out complete with interviews recruiting pamphlets cartoons rants sermons threats police reports and more. The accompanying analysis by veteran investigative reporter James Ridgeway detailed the movement's volatile history and its expansion beginning in the 1980s insisting that the groups making up this fringe culture were too powerful and too much a part of American culture to be ignored or dismissed. When the book's prescience about the dangers of the racist far right became manifest in the Oklahoma City bombing of 1995 a second edition of **BLOOD IN THE FACE** was released with a new introduction charting the rise of the Militia Movement to which Timothy McVeigh and his co-conspirators were connected. Since then both the book and the documentary film that accompanied its release also titled **BLOOD IN THE FACE** have earned cult followings. In the past 25 years Ridgeway's final warning that the fringe was becoming part of the fabric of American politics and culture have come to chilling fruition in the rise of the Tea Party the racist backlash against the presidency of Barack Obama the resurgence of anti-immigrant Nativism the growth of racist far right media and the election of Donald Trump with the thunderous support of white nationalists.      *Dicing with Death* Stephen Senn, 2022-12-08.
