THAT NIGHT SAQUIB MUNEEER,2026-02-16 Some nights are born in silence Some are written in blood In an ancient empire scarred by forgotten wars and broken oaths loyalty is a dangerous thing and innocence can be a death sentence The crown of Elarion has fallen into ruthless hands The royal family is said to have perished in a tragic mountain accident The people whisper of fate Of misfortune Of grief But some deaths are too convenient Far from the throne in the shadows of forests and ruined villages a warrior bound by an old promise walks a path stained with blood He is a man shaped by exile and silence feared by enemies and unknown to those he protects When a young girl mute watchful and carrying a truth the world is not meant to discover crosses his path fate tightens its grip She does not speak She does not cry But kingdoms will burn for her As corruption spreads across the empire and betrayal festers within the crown one night changes everything An army arrives Steel clashes Blood spills And the past refuses to stay buried What begins as survival becomes something far greater a quiet war that will echo through generations That Night is a dark medieval fantasy filled with political intrigue brutal battles hidden identities and a bond forged in silence It is the story of a protector who stands against a fallen kingdom and a princess who does not yet know who she is This is only the beginning That Night Alice McDermott,2013-11-21 Alice McDermott evocative second novel beautifully rejacketed to tie in with the paperback of her most recent novel Child of My Heart
