Thats Living:

Religious but Lost Sandra Larry, 2015-10-13 I wrote this book to be an inspiration to the trials and tribulations we sometimes go through in life After reading my book I want you to know that by trusting and receiving the Lord Jesus Christ as your own personal savior you're to see the change in your life I want this book to have an impact on your mind body and soul to the point where you will be willing to give your life over to God if you believe But if you're a believer then you know the feeling to be a comfort carrier of God And so when you become a child of God you will feel the difference in your life This book should inspire you to know that your name will be written in the book of life Music Library of Congress.
