Bible furnishing proof of a super natural numbering system which confirms God as the sole author Miracles can come in many ways The Eleventh Hour is one such example God turned a personnel tragedy into the impetus to discover a modern day unfolding of an unknown numbering system in the Holy Scriptures seemingly unnoticed for centuries Within these pages you will find absolute proof that will end all debates concerning the authenticity of the Bible Clear evidence will be presented that will support these claims If you carefully follow these numbers and the truths they represent they will solidify the message After embarking on this fascinating path the historical and prophetic implications of these numerals and their locations should challenge all to come to a realization and some genuine soul searching Some of the topics discussed having great significance are The harmony of the individual writers of each book Proof of the Bibles infallibility Israels place in history past present and future Jesus Christs Messianic fulfillment through the lineage of King David Gods Sovereign hand over His creation throughout history Prophetic witness as it relates to current world events Everyone should be able to determine conclusively that these writings are not some cleverly devised fairy tale or folklore from the Middle Ages as some insinuate It is the unadulterated word of Almighty God *The Eleventh Plague* M.
