The Absorbent Mind Maria Montessori, 2007 **The absorbent mind**, 1967 *The Montessori Method* Maria Montessori, 2004 An essential resource for all students and scholars of early childhood education this book offers a rich array of material about Maria Montessori and the Montessori Method. Distinguished education scholar Gerald Gutek begins with an in depth biography of Montessori exploring how a determined young woman overcame the obstacles that blocked her educational and career opportunities in Italy during the late Victorian age. The author then analyzes the sources and influences that shaped the Montessori philosophy of education. After laying the foundation for Montessori's development Gutek presents an annotated and abridged edition of *The Montessori Method* 1912 the seminal work that introduced her educational innovations to a U S audience. The book concludes with key historical documents including disciple Anne E George's notes on the Montessori lectures and William H Kilpatrick's critique of the Montessori method. Preserving the historical context of Montessori's contribution Gutek also shows the continuing relevance of her thought to educational reform in the twenty first century. **The Absorbent Mind** Maria M.
