The Jade Chalice:

The Jade Chalice Rudolph J. Girandola, 2004-06-01 The Jade Chalice in fiction lifts a veil obscuring historic reasons why the Roman Catholic Church must today pay the price of worldwide clergy scandals The fictional characters endure a Church in 1938 that refuses to look into itself regardless of finding even then shocking revelations of homosexuality pedophilia adultery and fornication The Jade Chalice underscores the vulnerability of clergy and religious training It describes a system built on absolute authority over its faithful and its aversion for reform It questions a widening disparity of Faith with Protestants Asians Arabs and Jews over doctrine and avenues for salvation The Jade Chalice is a classic novel delving also into Chinese history and culture The Jade Chalice portrays a story of Catholicism s mystery beauty power and weaknesses concluding that no one is immune to personal human passions especially those men and women who claim to hold in their hands the only hope for spiritual and eternal reward

The Merlin Dialogues Ed Lewis, 2024-06-04 So much to know Merlin pondered Wisdom is the key to the shaman s journey healing the goal Meaning purpose love and relationship to earth and God at some time in life everyone is exposed to these Shamans however must plumb their depths and ascend their heights as these are urgent and essential to the journey like cardinal points on the compass So much danger he realized He had only these few nights to mentor them on how to protect themselves At best he had only a short time before they would return to their twenty first century and preserve history as we know it At worst he had only a few nights before she found them She who wanted to kill them to see that they never learned at all The Merlin Dialogues by Dr Ed Lewis brings to life the journey of five kids from the 21st century back to sometime in the 6th century Traveling well off the road that led to Tintagel Castle Deep in the woods there was no relief from the knowledge that they were being hunted like prey Sitting around a campfire after dark Merlin announces The time has come to gift you with your shaman names Shaman names represent who you now are who you are to become in the future and also identify your animal helpers Seamless transitions between story teller and dialogue weave a magical and mystical allegory as cousins learn in the 6th century about themselves each other and more importantly about life love being and Being as well as about Mother Earth and the perils of ever worsening climate damage Steve White CEO multi client communications business Rockport Maine Merlin is both enchanted and enchanting a consciousness sorely wanted by our present culture Merlin teaches the kids to come to trust their own intuitions so that their guide is inside the place where

Merlin lives I m sure that young readers will get the spirit of this through journeying through your story At the end of the day we are meant to make our own personal take on life something that is therefore unique and all the more valuable for that Gareth Davies retired Church of Scotland minister shamanic practitioner and art therapist Edinburgh Scotland
