

The Jesus Legacy

Frederick Brotherton Meyer

The Jesus Legacy:

The Legacy of Jesus John MacArthur, 1986 **Jesus** Anthony Le Donne, 2018-08-02 *Jesus A Beginner's Guide* introduces Jesus the man and his enduring legacy Separating fact from fiction Professor Le Donne places Jesus within the context of first century Judaism and explores the debate about his status as Son of God among the early Christians He then follows his legacy through medieval Europe and compares the various cultural Jesuses in enlightenment and post enlightenment thought

Redescribing Christian Origins Ronald Dean Cameron, Merrill P. Miller, 2004 These essays challenge the traditional picture of Christian origins Making use of social anthropology they move away from traditional assumptions about the foundations of Christianity to propose that its historical beginnings are best understood as reflexive social experiments

Jewish-Christian Relations Abel Mordechai Bibliowicz, 2019-03-01 I am in fundamental agreement with Bibliowicz's thesis that the anti Jewish polemic in the New Testament reflects debates between Jewish and Gentile followers of Jesus not a polemic between Christians and Jews and with the implications which he has drawn for Christian theology May this book find a wide readership among people devoted to the cause of the healing of memories between Jews and Christians Peter C Phan Professor Chair of Catholic Social Thought Georgetown University President of the Catholic Theological Society of America Standing on a brilliant and insightful reconstruction of Paul and on a quite shocking but perhaps compelling reading of Mark the author offers a number of original and in some cases quite compelling theoretical reconstructions of the context and purposes of early Christian texts a work of sublime moral passion David P Gushee Distinguished University Professor of Christian Ethics and Director Center for Theology and Public Life Mercer University President elect American Academy of Religion Author of *Kingdom Ethics Following Jesus in Contemporary Context* An intrepid excursion into the Christian discourse The quest of an intellectual a humanist Interesting and in fact overwhelming A timely and honest engagement of the Christian texts authors and scholars by a Jewish intellectual Burton L Mack Professor of Early Christianity Claremont School of Theology California author of *A Myth of Innocence Mark and Christian Origins* There is great merit to Bibliowicz's approach I highly recommend this book for anyone interested in the Jewish Christian dialogue Scholars may disagree with a number of Bibliowicz's conclusions as I do with his interpretation of the Epistle to the Hebrews But even in disagreeing scholars in the field of Jewish Christian studies will learn new ways of challenging and thinking about old presumptions Eugene J Fisher Distinguished Professor of Theology Saint Leo University Former staff person for Catholic Jewish relations for the U S Conference of Catholic Bishops Consultor to the Vatican Commission for Religious Relations with the Jews member of the International Catholic Jewish Liaison Committee representing the Holy See An important work Sensitive and deeply researched In the deepest sense a profound theological work Clark M Williamson Professor Christian Theological Seminary Indiana author of *Way of Blessing Way of Life A Christian Theology* I very much appreciated the depth and scope of the scholarship accompanied by the kind and humble spirit of the author it may also prove to be one of the formidable and

formative scholarly contributions of the decade for both biblical and historical scholars Michael Thompson Professor Religious Studies Oklahoma State University In methodical and precise fashion Bibliowicz takes the reader through the relevant ancient Christian texts bearing on the question at hand In so doing he proposes an intriguing compelling thesis The book should prove to be a major voice in the ongoing debate Brooks Schramm Professor of Biblical Studies Lutheran Theological Seminary Impressive work With this impassioned study available to us it will no longer be possible for us to ignore the unintended ways the unthinkable came to be and still say we did not know Didier Pollefeyt Professor Faculty of Theology and Religious Studies Katholieke Universiteit Leuven Belgium coauthor of *Anti Judaism and the Fourth Gospel and Paul and Judaism* An original and plausible claim that goes beyond most of modern scholarship a solid contribution to the study of anti Judaism in early Christianity Joseph B Tyson Professor Religious Studies Southern Methodist University author of *Marcion and Luke Acts A Defining Struggle* Well researched and thorough Intelligent and thoughtful accessible the argumentation compelling Michele Murray Professor Bishop s University Canada author of *Playing a Jewish Game Gentile Christian Judaizing in the First and Second Centuries C E* A detailed and insightful exploration of the writings of the early Jesus movement argues convincingly that the origins of Christian anti Judaism are to be found among early non Jewish followers of Jesus who were in conflict with Jesus s disciples and first followers a must read Tim Hegedus Professor of New Testament Waterloo Lutheran Seminary Wilfrid Laurier University Canada Bibliowicz uses solid scholarship to engage large and difficult topics while managing to be balanced and clear invites Christians to walk a deep journey toward truth and suggests a compelling nuance that the conflicts in the early texts were between Jewish and Gentile followers of Jesus not between Jews and Christians David L Coppola Executive Director Center for Christian Jewish Understanding Sacred Heart University A meticulous study a mammoth endeavor goes beyond others in his interpretation of the evidence tracing and documenting distinctions and tensions in the early Jesus movement N A Beck Professor of Theology and Classical Languages Texas Lutheran University author of *Mature Christianity in the 21st Century The Recognition and Repudiation of the Anti Jewish Polemic of the New Testament* The topics Bibliowicz engages are complex Although some of his interpretations are controversial Gentile Christians should set aside apologetical agendas and honestly ponder the challenges put forward by the author Dale C Allison Jr Professor of New Testament Princeton Theological Seminary author of *Constructing Jesus History Memory and Imagination* *The Crucifixion, Book 2* David Birnbaum, **Resolving the Tension of Jesus's Mission in Matthew's Ancient Biography** Jerry D. Breen, 2024-10-03 Jerry D Breen argues that reading Matthew and all the Gospels as ancient biography is the necessary next step for Gospel studies In particular Breen contends that more specific comparisons should be made between the Gospels and ancient literature Breen stresses that this reading invites narrative critics to place more emphasis on examining the use of sources and the importance of intertextual and historical information that the author introduces to the text Breen places emphasis on the relationship between Jews and non Jews in ancient

Galilee and Palestine and challenges the long supported theory that Jesus did not minister to non Jews beyond two or three exceptions Demonstrating that Jesus is inclusive of everyone who comes to him even though he was sent primarily to the Jews Breen argues that the portrait which Matthew creates is one of a Jewish Messiah who is on a mission to restore Israel so that the restored people of God can bless the nations Concluding that rather than two conflicting missions the audience of the gospel is encouraged to view the healing of non Jews during Jesus s ministry as further proof that the Jewish Messiah is bringing restoration to Israel *Jesus H. Martinus Kuitert,1999 An account of what Christianity has made of Jesus over the centuries and why The story of belief in Christ and explanations of his significance both in classical Christian doctrine and in modern Christian thought* *History of the Society of Jesus in North America, Colonial and Federal* Thomas Hughes,1917

History of the Society of Jesus in North America: From 1645 till 1773, with six maps Thomas Hughes,1917 Christ Crucified Keith Gagan,2024-05-24 In Jesus time his acts of healing and various demonstrations were phenomena that captivated many Countless people experienced healings mental restorations and even resurrections These events labelled as miracles by the emerging church in subsequent decades and centuries unfortunately downplayed Jesus genuine impact on humanity by framing it as supernatural or otherworldly Intriguingly several of his disciples and followers carried forward his legacy healing and teaching in Judea and surrounding regions with notable success Imagine if this legacy had expanded exponentially and received unwavering support It could have reshaped society on a global scale A world transformed where harmony reigns where wars are unthinkable and where many of our modern day institutions like the healthcare system and the pharmaceutical industry might not even exist due to widespread health and prosperity Such potential underscores the magnitude of the missed opportunity Yet it also emphasizes that it s never too late for a renaissance of such profound teachings and practices **The Christ of Faith and the Jesus of History** David Friedrich Strauss,1977 Some great books

have the capacity to focus on the questions of the day so that everyone must deal with them others rise to greatness only when they are discovered years later Strauss s The Christ of Faith and the Jesus of History may belong to both groups When it was first published it articulated sharply the crucial issues in the then current theological debate Theologians today are discovering not least of all from this century old book review here translated for the first time that they are not yet finished with David Friedrich Strauss The Christ of Faith and the Jesus of History brings to a head issues which had dominated Strauss s theological work When read in the light of the author s career amply surveyed in the Editor s Introduction it also illumines major issues of modern Christian theology the character of the Gospels the historical accuracy of what they report the possibility of getting at Jesus as he really was and the relevance of such a Jesus for modern man Publisher *History of the Society of Jesus in North America: Text ... from 1645 till 1773* Thomas Hughes,1917 The Jesus Christ of J. S. Mill. By Antichrist pseud ANTICHRIST,1875 History of the Society of Jesus in North America Thomas Hughes,1917 **History of the Society of Jesus in North America** Thomas Aloysius Hughes,1917 **The Christian Scientist** Stephen H.
