travellers approached the mouth of the enormous cannon seated themselves in the flying car and once more took leave for the last time of the vast throng standing in silence around them The windlass creaked the car started and the three daring men disappeared in the yawning gulf The trap hole giving them ready access to the interior of the Projectile the car soon came back empty the great windlass was presently rolled away the tackle and scaffolding were removed and in a short space of time the great mouth of the Columbiad was completely rid of all obstructions *Science-fiction Studies* ,2006 The Extraordinary Adventures of Foundling Mick Jules Verne,2008 Jules Verne s Irish novel is a heart warming story of a young orphan s trials and tribulations in the late nineteenth century Published in full by the Royal Irish Academy for the first time since its 1895 debut it is a fascinating commentary on contemporary Ireland The Extraordinary Adventures of Foundling Mick takes readers on a descriptive tour of Ireland and her social classes Mick s travels include visits to Westport Galway Limerick Tralee Cork and Belfast all of which are quirkily evoked On his hand to mouth journey he meets beggars thieves farmers landlords agents and landlords themselves Finally our hero reaches Dublin where his fortunes change for the better Jules Verne also wrote *Around the World in Eighty Days* and is the third most translated author in the world Often described as Verne s tribute to Charles Dickens this beautifully produced novel shows the Frenchman s affection and respect for Ireland and its people *Library of Congress Information Bulletin* ,1996 **Narrating the News** Karen Roggenkamp,2005 Due to a burgeoning print marketplace during the late nineteenth century urban newspapers felt pressure to create entertaining prose that appealed to readers drawing on popular literary genres such as travel adventures detective tales and historical romances as a way of framing the news for readers Using current events for their source documents reporters fashioned their own dramas based on those that readers recognized from a broadly drawn literary culture The desire to spin attractive popular tales sometimes came at the expense of factual information This novel commercialized and sensationalistic style of reporting called new journalism was closely tied to American fiction In *Narrating the News* Karen Roggenkamp examines five major stories featured in three respected New York newspapers during the 1890s the story of two antebellum hoaxes Nellie Bly s around the world journey Lizzie Borden s sensational trial Evangelina Cisneros s rescue from her Spanish captors and the Janet Cooke Jimmy s World scandal to illustrate how new journalism manipulated specific segments of the literary marketplace on vital topics in literary and cultural studies gender expansionism realism and professionalization Unlike previously published studies of literature and journalism which focus only on a few canonical figures Roggenkamp looks at part of the history of mass print communications more generally exposing the competitive and reinforcing interplay between specific literary genres and their journalistic revisions *Narrating the News* provides an original significant contribution to the fields of literature journalism history and cultural studies **Subject Encyclopedias** Allan Mirwis,1999 This useful two volume set will provide buyers of subject encyclopedias with a substantial amount of valuable information they can use in making their purchasing decisions It will also provide all types of librarians and their patrons with a quick
