

ESSENTIAL VALUES IN SOCIAL WORK

Values In Social Work

Katrin Zwirgmaier

Values In Social Work:

Ethics, Values and Social Work Practice Linda Bell, Trish Hafford-Letchfield, 2015-03-16 A framework of ethics and values forms the foundation of social workers professional identities Ethics and values should shape the way that social workers practice and how they impact upon the lives of the service users they work to support In a fast moving world influenced by shifting policy tight budgets and changing practice standards students and practitioners need to anchor their understanding of themselves to clear principles for ethical practice Ethics Values and Social Work Practice is a brand new text offering students and social work practitioners a contemporary and relevant introduction to the central role of ethics and values in their work In addition to a grounding in the major trends in ethics applied to social work this book also provides perspectives on How to situate ethics and values in social work practice How to understand ethics as part of reflective practice as both student and practitioner How ethics and values link to concepts of power diversity and social justice The role of ethics and values in interprofessional and partnership working The guiding principles and ethics inherent in relationship based social work The book supports student learning by providing Discussion points to allow time for individual reflection or ethical debates Case studies based on likely scenarios from practice with reflection points to help social workers engage with the issues raised Chapter summaries and key points for social work practice to reinforce the relevance of your learning to real social work practice A glossary of key terms as a reference for key ethics terms and concepts Contributors Pat Cartney Jean Dillon Souzy Dracopoulou Ann Flynn Alison Higgs Mina Hyare Colin Whittington Margaret Whittington and Tom Wilks This is an excellent edited reader providing students and practitioners with a grounding in ethics and values whilst linking these to specific practice and the development of professional identity inclusion and reflective practice This book will be an essential reader for those in qualifying social work programmes ASYE staff practitioners and academics Hugh McLaughlin Professor of Social Work Manchester Metropolitan University UK This book provides an exceptional expos of ethics and values in social work practice Conceptual clarity and critical presentations of contemporary debates are presented in a systematic text It is written in an accessible style and the content will prove valuable to social work students practitioners and researchers alike This is one of the most comprehensive books on ethics and values in social work practice available in the market Professor Lambert Engelbrecht Department of Social Work Stellenbosch University South Africa *Professional Choices* Ann Augustine Abbott, 1988 **Social Work Values and Ethics** Frederic G. Reamer, 2024-05-28 For decades teachers and practitioners have turned to Frederic G Reamer s Social Work Values and Ethics as the leading introduction to ethical decision making dilemmas and professional conduct in practice A case driven concise and comprehensive textbook for undergraduate and graduate social work programs this book surveys the most critical issues for social work practitioners This sixth edition incorporates significant updates to the National Association of Social Workers Code of Ethics and discussion of challenging issues related to cultural competency antiracism moral injury human rights environmental justice

ethical humility non Western perspectives on ethics and practitioner self care Reamer also focuses on how social workers should navigate the digital world through discussion of the ethical issues that arise from practitioner use of online services and social networking sites to deliver services communicate with clients and provide information to the public and he examines the standards that protect confidential information transmitted electronically He highlights potential conflicts between professional ethics and legal guidelines and expands discussions of informed consent confidentiality and privileged communication boundaries and dual relationships documentation conflicts of interest and risk management Conceptually rich and attuned to the complexities of ethical decision making *Social Work Values and Ethics* is unique in striking the right balance among history theory and practical application **Ethics and Values in Social Work** Sarah Banks,2020-11-04 With over 40 000 copies sold across its lifetime this is social work classic from a leading international author Synthesizing the complex ideas and concepts that characterize social work s value base Sarah Banks expertly provides a clear and systematic account of professional ethics in relation to social work practice framed within a global context *Ethics and Values in Social Work* is co published with the British Association of Social Workers BASW and this fifth edition provides revised and updated analysis of professional regulation and codes of practice Written with Banks trademark accessibility and theoretical rigour this updated edition continues to be a relevant and invaluable resource for all students taking *Ethics and Values* modules at both undergraduate and postgraduate levels as well as educators and practitioners of social work New to this Edition Revised and updated analyses of professional regulations and codes of practices Updated case studies with an increased number of global examples of social work practice More cases featuring adults *Social Work Values and Ethics* Frederic G. Reamer,2006 A comprehensive introduction to ethical decision making with practical guidance regarding professional misconduct **Ethics and Values in Social Work** Allan E. Barsky,2009-10-14 In a unique and student friendly package *Ethics and Values in Social Work* offers a series of learning modules that will ensure graduates receive a comprehensive ethics and values education Designed to be easily incorporated into any curriculum each module helps students integrate the knowledge skills self awareness and critical thinking abilities required for dealing with ethical issues From applying basic ethical standards of practice to managing complex ethical dilemmas this textbook equips readers with a range of tools and strategies for responding to ethical questions and concerns Traditional ethics textbooks provide students with a model for ethical decision making This breakthrough textbook goes beyond ethical decision making by providing students with a strategic framework for managing ethical issues that includes guidelines for engaging others in ethical discussions and using conflict resolution theory to promote collaborative solutions Some textbooks introduce students to ethical theories such as deontology teleology and virtue ethics This textbook goes beyond describing these theories by providing students with opportunities to apply compare and contrast these approaches as they relate to various contexts of social work practice A wealth of case scenarios discussion questions and role play exercises make this an engaging thought

provoking teaching and learning tool At a basic level this textbook teaches students the essential principles and standards that define ethical practice At a more profound level Ethics and Values in Social Work inspires students to reach for the highest values of profession service dignity and worth of the person human relationships integrity competence social justice human rights and scientific inquiry

Social Work Ethics Charles S. Levy,1976 **Proceedings of the National Conference of Social Work at the ... Annual Session Held in ...** National Conference of Social Work (U.S.). Annual Session,1925 *Anti-Oppressive Ethics and Values in Social Work* Derek Clifford,Beverley Burke,2009 This book explains the importance of using an anti oppressive approach to understanding ethics and values in socialwork It argues that an anti oppressive approach is an intrinsic element of effective professional practice not an optional extra Numerous case examples are used to illustrate how anti oppressive values apply to a range of ethical perspectives These examples are systematically discussed in the text and readers are invited to consider their own position in Jacket Mastering Social Work Values and Ethics Farrukh Akhtar,2012-12-15 This key text examines ethical concerns arising at different stages of professional development in social work and offers guidelines to overcoming them Practice pointers equip practitioners with the skills and knowledge to move beyond professional codes and work to a broader set of values

Social Work with Groups National Conference on Social Welfare,1957 **Values and Ethics in Social Work Practice** Lester Parrott,2010-04-12 It is vital that social workers have a deep and critical understanding of the social work value base and are able to analyse and apply values and ethics to their everyday practice This fully revised edition of one of our best selling titles identifies current issues in social work and then applies an ethical dimension These issues are then investigated further within an anti discriminatory framework and against the background of the code of practice for social care workers and employers Traditional value perspectives are clearly explained and current developments in virtue theory and the ethics of care for social work are also introduced

Journal of Social Forces ,1924 *The General Method of Social Work Practice* Maria O'Neil McMahon,1990 *The Works of Theodore Roosevelt: Citizenship, politics and the elemental values* Theodore Roosevelt,1925 Taxation of Land Values in American Cities Benjamin Clarke Marsh,1911 The Self in Social Work John Shaw,1974 **The Values of Social Workers as Social Work Values** Richard Ben Cook,1978 *The Survey* ,1930

The Journal of Home Economics ,1921
