The Devils Triangle:

The Devil's Triangle Frances M. Boyle,2001 **The Devil's Triangle** Richard Winer,1977 **The Devil's Triangle** Mark Robson,2011-03-31 The Bermuda Triangle has cast a shadow over Sam and Niamh Cutlers lives since their mother vanished nine years ago Her whereabouts remains a mystery and every year they return to the Florida Keys with their father Matt who is obsessed with solving the haunting puzzle But Sam is bored with lazing around by the pool while his father hunts for the truth Craving excitement he and his friend Callum borrow Matt s boat At first it s great fun but when they find themselves marooned in a terrifying land the boys realise they too have fallen victim to the Triangle s mysterious effects Can they find a way home or will they be lost forever

The Devil's Triangle Richard Winer,1975 The Mystery of the Bermuda Triangle Damien Rollins,2013-05-23 The Bermuda Triangle The Devil s Triangle Call it what you will but this area off the coast of the southwestern United States has stirred peoples imaginations for hundreds of years You won t find it on any official maps which hasn t actually stopped would be cartographers from adding it in anyway As far as the U S Board of Geographic Names is concerned it doesn t even exist They do not recognize it nor do they admit to maintaining any official file on it However as fans of the unexplained will insist the Bermuda Triangle is very real It is so named because of its proximity to the island of Bermuda which forms one of its apexes The others are roughly located in Florida and Puerto Rico and together they cover an area of approximately 500 000 square miles That s a lot of area for craft to get lost in

Conquering the Devil's Triangle C. W. Leigh,2006-06-01 While enjoying a picture perfect day fishing off the coast of Florida four friends unknowingly drive their boat into the Bermuda Triangle Once inside their lives will change forever as they are abruptly transported into a different dimension Here in this place and time the Devil is in control and the only people to be found are those who have been lost in the triangle He uses peoples worst fears and problems to destroy their souls and their faith in Jesus People who are trapped in the Triangle are either destroyed or give in to the evil and follow a dark path It will be no different for these men Through all the trials and tribulations these men will encounter their faith and lives will hang in the balance Only their faith in God will allow them to conquer the Devils triangle *The Devil's Triangle* Catherine Coulter,J.T. Ellison,2017-08-29 Nicholas Drummond and his partner Mike Caine are threatened when the Fox calls from Venice asking for help She warns Nick and Mike that a devastating Gobi desert sandstorm that s killed thousands in Beijing isn t a natural phenomenon but was produced by man The Covert Eyes team heads to Venice Italy to find out the truth before an obsessed family devastates Washington DC Back cover
