Audacity of Speaking in Tongues Oppong Kyekyeku, 2018-10-25. Theological correctness has made speaking in tongues controversial and it confuses everyone within Christendom. Many doubts which surrendering it are creating fear instead of faith for its authenticity meanwhile Jesus promised every believer as one of the signs to follow us. Speaking in tongues is not the Holy Spirit but it is the evidence indicating that the Holy Spirit has come upon you. It happened on the day of Pentecost when one hundred and twenty believers gathered together in Jerusalem. The Holy Spirit came upon all of them and they began to speak in tongues as evidence to confirm Jesus's prophecy. Peter couldn't ignore its reality but confirmed that the Holy Spirit had come upon the Gentiles just as they received when he heard the household of Cornelius speaking in tongues. In Ephesus Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues. Now we contemporary Christians cannot overlook this evidence. Instead we must continue until we pass to the next generation. Because the truth has to be told. *Answering Your Questions About Speaking in Tongues* Larry Christenson, 2005-05. Speaking in Tongues Felicitas D. Goodman, 2008-04-15 Speaking in tongues or glossolalia is practiced in many different religions around the world Dismissed as meaningless gibberish by some observers it has been the subject of only a few fragmentary studies The work of Felicitas D Goodman represents the first cross cultural analysis of this enigmatic behavior and she brings to her research an extensive background in linguistics and anthropology Dr Goodman s fieldwork included living with apostolic congregations in Mexico City in the Yucatan with Maya Indians and visits with a congregation in Hammond Indiana Her observations were preserved on a remarkable collection of sound recordings and films For this book she presents a selection of conversion stories that highlights the personality structure and experiences of the speakers A detailed analysis of the phonological and suprasegmental features of the recorded utterances show a surprising cross cultural agreement This led Goodman to believe that glossolalists speak the way they do because their speech behavior is modified in a particular mental state often termed trance into which they place themselves In this light the glossolalia utterance is seen as an artifact of a hyperaroused mental state or in Chomskyan terms as the surface structure of a nonlinguistic deep structure that of the altered state of consciousness Goodman describes the hyperaroused mental state as a neurophysiological phenomenon as well as the associated patterns of movement and the problems of waking from it Goodman s diachronic approach yielded equally surprising data about the changes and the waning of the behavior over time But as she observes we have barely touched the edge of a very large area of inquiry Her fascinating study opens a number of new avenues of research for anthropologists such as the study of physiological states accompanying linguistic and ritual behavior

The Unseen Dynamics of Speaking in Tongues Steven Adi, 2018-05-23 Often times we play around with many words as we use them in our day to day communications and other activities but there comes a time when these words are forged together to make a certain statement and when such a statement comes alive it creates a feeling of shock and awe

resulting to a sense of deep satisfaction we marvel and even feel like we have never heard anything like that before Such was the feeling that greeted me when God formed the inspiration for this book upon the tablets of my mind There are certain questions you have always pondered upon while considering the subject of speaking in tongues A number of them highlighted below Why did God decide that we Christians should pray with other tongues Have you ever wondered the operations that go on spiritually on account of our prayer in tongues What are the realities and facts that distinguish praying in tongues from praying normally How much are we able to achieve within a short while when we pray in tongues Ever wondered what is the best mode of prayer Is it possible that Satan can block the answers to our prayers from reaching us Why was the answer to Daniel s prayers delayed by the Prince of Persia How can our prayers address the things that we do not have knowledge of The Unseen Dynamics of Praying in Tongues reveals all these mysteries and much more as you read through The book does not focus on defining speaking in tongues nor does it teach how to speak in tongues It does however focus on the spiritual activities that are pioneered in the spirit when you pray in tongues highlighting also the analysis and technical aspects of speaking in tongues This book is arguably the most revealing and concise book you have ever read that gives deep details into the invisible happenings and manifestations around Christians when they pray in tongues

Should All Speak with Tongues? Mac Ward Symes,2013-03 Should All Speak with Tongues is a resource for anyone truly interested in whether or not speaking in tongues is a valid current manifestation of the Holy Spirit that should be experienced by all Christian believers It shows scripturally how one is given the gift of the Holy Spirit when born again which Jesus described as being born of the Spirit John 3 7 8 therefore one has the potential for the operation of all the gifts of the Spirit immediately upon being saved and should walk and live in the Spirit thereafter Galatians 5 23 Speaking in tongues is one of the nine gifts of the Spirit that are given to every believer Now to each one the manifestation of the Spirit is given for the common good 1CO 12 7 NIV

Sounds of Wonder Eddie Ensley,1977 [Speaking in Tongues](#) Gerald Hovenden,2002-12-31 The phenomenon of Speaking in Tongues is examined in its religious historical context Part 1 considers recent scholarly studies of inspired speech in the ancient world where parallels have been alleged with the early Christian experience as recorded in the New Testament In Part 2 both the Lucan and Pauline references to tongues are considered in detail with a view to discerning the significance of the phenomenon for the church its mission and worship In the light of this practical implications are drawn for the church in the 21st century

What the Bible Says about Speaking in Tongues John Argubright,2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him

crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets
