Catalog of Copyright Entries Library of Congress. Copyright Office, 1962 **Carter** David Schiff, 2018 Elliott Carter 1908 2012 was the foremost composer of classical music in America during the second half of the 20th century Over the course of a career that spanned seven decades he consistently produced works that critics hailed as creatively daring intellectually demanding and emotionally complex Distancing himself from the various schools and movements that grew and waned in popularity during the postwar era Carter cultivated a deeply personal musical style that he developed and refined up until the very end of his life This book of the composer springs from author David Schiff s life long interest in Elliott Carter s music and his close personal connection with the composer which spanned over forty years This critical overview of Carter s life and work explores aspects of the composer s life about which he was usually reticent and occasionally misleading such as his complicated relationships with Charles Ives Aaron Copland Nicolas Nabokov and his own parents Schiff s study of Carter s complete oeuvre from his politically charged Depression era ballets to the deeply personal and reflective late works is based on extensive study of the composer s personal sketches and letters Featuring an in depth look at the legacy project of Carter s final decade seven settings of American modernist poetry by E E Cummings T S Eliot Marianne Moore Ezra Pound Wallace Stevens and William Carlos Williams this newest addition to the Master Musicians Series paints with a fine brush the story of America s foremost composer of the second half of the twentieth century RCA Victor Record Review , 1942-06 Symphonies Under the Stars , 1944 **The Instrumentalist** , 1976 Musical Digest Pierre Van Rensselaer Key, Alfred Human, 1946 *New York Magazine* , 1975-08-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Facts on File Dictionary of Music** Christine Ammer, 2004 The Facts On File Dictionary of Music provides in depth explanations and examples of more than 3 Classical Music Alexander J. Clifford Curzon and Vladimir Ashkenazy to name but a handful From 1906 the success of the company was due to the dedication of its founders Robert Leigh Ibbs and John Tillett After their deaths the agency was run by the latter's wife Emmie who dubbed the Duchess of Wigmore Street became one of the most formidable yet respected women in British music The history of this unique institution and its owners is told here for the first time often through the fascinating letters that were exchanged between the artists themselves and the agency It begins in the latter years of the 19th century with the concert and theatrical manager Narciso Vert for whom both Ibbs and Tillett worked until his death in 1905 The story then becomes a history of musical life in twentieth century Britain illuminating aspects of the day to day management of concerts and festivals the lives and livelihoods of professional musicians as well as those who strove to join their ranks through audition or recommendation The changing profile and particularly the onset and development of personal management of artists represented by Ibbs and Tillett and their reception in the press can be viewed as a barometer of musical taste The demise of the agency in 1990 was indicative of just how much the world of British music had changed by the end of the century but despite its loss to the profession the legacy and influence of Ibbs and Tillett has remained a benchmark in today's highly competitive world of artist management and concert promotion many of whose principal operators began The New Records ,1986 *My Happy Life* Darius Milhaud,1995 Darius Milhaud born in Provence in 1892 was one of the major composers of the twentieth century and also one of its most prodigious Over 450 of his works have been catalogued and listed in this volume including operas large and small eighteen string quartets twelve symphonies and thirty concertos as well as such popular classics as *Le Boeuf sur le toit* *La Creation du monde* *Suite provencale* and the *Suite francaise* In *My Happy Life* completed in 1972 two years before the composer's death Milhaud tells the full story of his own personal life and artistic development A secretary to the playwright Paul Claudel a close friend of Satie Cocteau and Igor Stravinsky Darius Milhaud was also a member along with Georges Auric and Arthur Honegger of the scandalous group of young French composers known simply as *les Six* While often regarded during his lifetime as an open minded musician of wide tastes whose music spanned many styles from avant garde to jazz he is revealed here as a thinker of note and a graceful writer He depicts with great generosity of feeling the revolution that modern music has undergone this century and his own role in it giving a clear account of his attitude towards his work and that of his fellow composers **The Complete Penguin Stereo Record and Cassette Guide** Edward Greenfield,Robert Layton,Ivan March,1984 This book finds this familiar group of highly respected critics having compiled a very useful survey of classical music on compact discs and cassettes The authors discuss the artistic merits and sound quality of each recording in evaluations that are extremely perceptive and educational Audiophiles will be happy to know that the authors indicate whether or not the recording has been recorded digitally or remastered from an analog original Those on a budget will appreciate the inclusion of bargain priced editions And music lovers in general attempting to navigate the maze of CDs currently available will find this work indispensable **The**
