Oman Sultan Qaboos bin Said To quote from one of his rarest speeches The world you are inheriting is one in which fanaticism intolerance and disregard and disrespect for the rule of law have become a byword where we see violence and oppression on all sides and we see man sometimes in despair of the future of humanity But we believe that the day must come when these evils are defeated This is the aim which every one of us of every nationality must seek to work for and achieve The book covers from the author s point of view from the birth of His Majesty Sultan Qaboos bin Said until his death on 10th January 2020 along with the extracts he has taken from other sources The writer tries to convey how the king took all the challenges onto his young shoulders at the age of thirty without any turning back and led the nation to the pinnacle of success where no other country in the world could do such wonders as His Majesty Sultan Qaboos bin Said did He is the rarest of kings of peace in the history of humanity Further the book also highlights the expatriates understanding of Omani people and their relationships with other nationalities In their words Omani people are very kind and generous Najma Al Zadjali Description In short the book is a partial compilation of the author and the write ups by different nationalities along with the direct extracts taken from original sources This is a humble tribute from everyone who took part and gave one s share through their write ups in this book honoring the late king his Majesty Sultan Qaboos bin Said along with a commitment to continue humble services to the country under the esteemed leadership of the present king HM Sultan Haitham bin Tariq **The London Gazette** Great Britain,1915 **Oman 1989** ,1989 Muscat Dhows Arbitration Permanent Court of Arbitration,1905 *The World's History: Western Asia.
