Titles originally published in 2002 and 2007. **Windy City Queer** Kathie Bergquist, 2011-11-05. The contributions of the Midwest and specifically Chicago to LGBTQ literature have been invaluable yet largely uncelebrated over the last century. This anthology charts a map of queer Chicago and showcases its thriving urban arts community which boasts a unique history, legacy, and sensibility deeply rooted in the urban Midwest. Here is a first-rate collection of queer voices from Chicago's literary landscape. Celebrated writers Edmund White, Achy Obejas, Sharon Bridgforth, Brian Bouldrey, E. Patrick Johnson, Carol Anshaw, David Trinidad, and Mark Zubro are joined by emerging voices from the queer literary scene. These pieces span all literary genres from fiction and poetry to memoir and essays and portray a full gamut of gay Chicago lives from the everyday to the quirky, from public spectacles to quiet intimacies from family life to nightlife from dating to marriage from loving to mourning. The writing that comprises this volume which seeks to claim a queer space on the literary continuum is surprising, smart, hilarious, and heart-wrenching. I grew up in and I'm married to Los Angeles. I had a ten-year-long hot affair with my adopted home NYC but I have to admit I really left my diasporic midwestern gay heart in Chicago. **Windy City Queer** is a wonderful deepening of our national imagination about one of our greatest cities and regions. Tim Miller, author of *Body Blows* and *1001 Beds*. [Bella and the Summer Fling](#) Amy Sparling, 2019-12-10. I can't get Liam Mosely off my mind. Sure he's about to become the next hottest thing in the world of professional motocross and he won't have time for me anymore, but that doesn't start until the summer is over. For now he's living here in Roca Springs, Texas, with the entire summer free. I might have hated him when we first met, but lately he's become my crush and my best friend. This is my last summer before college. It should be fun. It should be carefree. That's why I suggested that Liam and I have a summer fling. No strings attached and it'll be over at the end of summer. Easy Peasy. Or so I thought. **Bella and the Summer Fling** is the second book in the *Love on the Track* Series, a clean, sweet young adult romance. **Summer Fling** Jerica MacMillan, 2015-11-22. *Summer Fling* Jayne Rylon, Mari Carr, 2017-03-21. Summertime and the lovin' is easy until it's not. *Compass Girls Book 3: Too much love and loss* taught Jade Compton to protect her heart and her sanity by steering clear of all that romance nonsense. She's doing just fine working two jobs, hanging out with her cousins, and her best friend Liam. But when a combination of unbearable heat wave and a case of the boredom blues knock her down, she longs to do something spontaneous, maybe even a little bit reckless. Liam Harrison met Jade when she was sixteen in the local cemetery. If he's learned anything after eight years of friendship, it's that Jade has a wild streak a mile wide. And while he doesn't want to tame the adventurous woman, he wouldn't mind showing her a few sexy ways to channel some of her impulsiveness. With him in the bedroom. When he proposes a sexy, no-strings-attached summer fling, Jade jumps at the chance to spice things up and indulge some pretty kinky fantasies. Then summer ends and Jade comes to the uncomfortable realization that there's only one place she's comfortable in: her own skin. Liam's arms.
