P. Smith,Chilli Ink,2014-10-06 The story begins with two young kids as they fall in love in the midst of a Tennessee summer Tragedy brings them together and tragedy will take them apart Where there is love there is life and therefore living Journey along with Will and Sunshine as they begin their love of a lifetime Life truly is about love life and living In a rural East Tennessee setting Will arrives in Clinton with his Father Unknowing at the time it would be the very moment they meet which would carry them through the journey of heartache and heartbreak Will their love survive separation Does love really last a lifetime Take a walk to the meadow with Sunshine and relive the moments which formed her into the woman she is today Believing in love and its strength will take you on a trip to a place where love wins and for the most part never ends **Bulletin** Mount Weather observatory, Bluemont, Va,1913
