Index to Handicraft Books, 1974-1984 Carnegie Library of Pittsburgh. Science and Technology Department,1986
Handicrafts and do it yourself projects have al ways been a library s most popular and heavily re quested subject And for
more than a decade a definitive index to handicraft books has not been published To fill this gap the Science and Tech nology
Department at Carnegie Library of Pitts burgh has compiled the Index to Handicraft Books listing more than 900 books and
over 12 400 sub ject entries covering books published from 1974 to 1984 The Index to Handicraft Books is an essential ref

reference tool for librarians who want to help someone find instructions for a varied range of do it yourself projects providing quick access to craft projects in books more recent than previous handi craft index books have listed Each entry in the index consists of a subject heading the name of the project as listed in the book the author and title of the book and the page numbers on which the project can be found The author and title correspond to those in the List of Works Cited section which gives full bibliographic information in order to help librarians find the book on their shelves or obtain the book through inter library loan Because this index developed from a card file index of craft books acquired by Carnegie Library since 1974 the list concentrates mainly on medium priced books that most libraries buy
