

The Sunlit Hours

The background of the page is a reproduction of the painting 'Rain, Steam, and Great Central Railway' by the English Romantic painter J.M.W. Turner. The painting depicts a steam locomotive crossing a railway bridge over a line that curves through a lush, green landscape. The scene is characterized by soft, hazy light and visible rain, with a large tree on the left and a small building in the distance. The overall mood is atmospheric and captures a moment of daily life in the early industrial era.
