Mru Moors the dead the damned Many of these individuals perpetuate as well the false notion that the term Black means death They therefore do not call themselves Black nor do they understand the proper etymology of the term Afurakani Afuraitkaitnit African They therefore do not recognize nor embrace the reality that they are Afurakani Afuraitkaitnit African Black does not mean death Moor means death **MMARA NE KYI - Divine Law/Love and Divine Hate** Odwirafo Kwesi Ra Nehem Ptah Akhan, MMARA NE KYI Divine Law Love and Divine Hate Afurakani Afuraitkaitnit African Ancestral Religion is defined in essence as the ritual incorporation of Divine Law and the ritual restoration of Divine Balance Through ritual we incorporate those things objects deeds and entities we need to harmonize with Divine Order and through ritual we reject those things objects deeds and entities we need to in order to restore balance to our lives Afurakani Afuraitkaitnit African Ancestral Religion animates our culture our way of life for Afurakani Afuraitkaitnit African Ancestral Culture is the Divine acceptance Love Law of Order and the Divine rejection Hate of disorder The phrase mmara ne kyi is Akan for law and hate These terms derive from the same terms in Kamit maa hna kht Divine Law and Divine Hate are the Expansive and Contractive Poles of Divine Order In this work we properly define these concepts inclusive of the fact that there are Deities Abosom Orisha Vodou Ntorou Ntorotu Neteru Netertu Ntrw Ntrwt who embody these concepts Maa and Maat Law and Heru Behdety and Sekhmet Hate We demonstrate that Law and Love have always been the same concept in Afurakani Afuraitkaitnit African culture and that Hate has been and always will be Divine Just as there are Deities of Law Love there are Deities of Hate Moreover and most critically without an understanding of the Divinity of Hate one has absolutely no understanding of authentic Afurakani Afuraitkaitnit African cosmology culture religion philosophy and its infrastructure Divine Order Language Alternation Strategies in Multilingual Settings Federica Guerini,2006 This book is one of the first systematic studies to describe the linguistic repertoire and the communicative strategies adopted by Ghanaian immigrants in Italy The linguistic repertoire of the Ghanaian community in Bergamo Northern Italy is described with a special focus on the different codes composing it The author analyzes the role that each code plays in expressing the community members ethnic and linguistic identity and the speakers attitudes towards each code She draws on the results of qualitative analysis adopting both a macro sociolinguistic and a micro sociolinguistic perspective of a database of face to face interactions and of formal interviews involving a selected group of Ghanaian immigrants *Womanism Rising* Layli Maparyan,2025-01-07 *Womanism Rising* concludes Layli Maparyan s three book exploration of womanist studies The collection showcases new work by emerging womanist authors who expand the womanist idea while extending womanism to new sites new problems and new audiences Maparyan organizes the contributions around five key ideas The first section looks at womanist self care as a life saving strategy The second examines healing the Earth as a prerequisite to healing ourselves In Part Three the essays illuminate how womanism s politics of invitation provides a strategy for enlarging humanity s circle of inclusion while Part Four considers womanism as both a challenge and antidote to dehumanization The final section delves into womanism s

potential for constructing worlds and futures In addition Maparyan includes a section of works by womanist visual artists Defiant and far sighted Womanism Rising takes readers on a journey into a new generation of concepts ideas and strategies for womanist studies A Zulu-English dictionary. Kotey,2000 This guide to Twi the language of the Akan people of Ghana incorporates Akan culture into the instruction While primarily of use to the lay person it will however also be welcomed by the more academic linguist wishing to learn more about the language s structure AFURAKA/AFURAITKAIT - The Origin of the term 'Africa' Odwirafo Kwesi Ra Nehem Ptah Akhan, AFURAKA AFURAITKAIT The Origin of the term Africa Numerous scholars over the centuries have attempted to delineate the etymological origins of the name Africa However they have failed because of a lack of understanding of Afurakani Afuraitkaitnit African Ancestral Religion cosmology and culture Odwirafo Kwesi Ra Nehem Ptah Akhan is the first to elucidate and publish the actual etymological origins of the name Africa demonstrating the name to be derived linguistically and cosmologically from Afuraka Afuraitkait the original male and female aspects of the name This includes showing the actual term written by our Afurakani Afuraitkaitnit African Ancestresses and Ancestors in the medutu hieroglyphs of Ancient Kamit Ancient Egypt a discovery which heretofore had never been accomplished Afuraka Afuraitkait is an indigenous designation for the continent first propounded by Afurakanu Afuraitkaitnut Africans Black People prior to the existence of any other people on Earth The myths put forward by eurasians seeking to locate the origins of the name Africa outside of the continent of Afuraka Afuraitkait Africa and in the greek latin sanskrit arabic phoenician and other languages have been shown in this article series to be a deliberate attempt by the non Afurakanu non Afuraitkaitnut non Africans non Blacks to misinform Afurakanu Afuraitkaitnut Africans Black People and dispossess us of our heritage and culture This is nothing new We have been and will continue to be at war culturally intellectually spiritually and physically with the whites and their offspring their culture and their pseudo religions inclusive of all forms of christianity islam judaism hebrewism hinduism buddhism taoism pseudo esotericism etc until the whites and their offspring no longer exist in the world We will always meet the challenge and will emerge triumphant on every level The proper etymology of the term Africa was first given to us in the 12990s 1990s by our Nananom Nsamanfo Akan term for our Honored or Spiritually Cultivated Afurakani Afuraitkaitnit African Ancestresses and Ancestors It was our Nananom Nsamanfo who would also lead us to the tangible evidence supporting the etymological origins of the term in the languages cultures and ritual practices of Afuraka Afuraitkait Africa inclusive of Ancient Khanit and Kamit Nubia and Egypt We would subsequently release our publication KUKUU TUNTUM The Ancestral Jurisdiction in 13002 2002 wherein we defined the term Afuraka Afuraitkait and its cosmological roots in the first section The release of our article series in 13007 13008 was designed to provide a more detailed analysis of

the nature and function of the name Afuraka Afuraitkait Africa as it applies to Black People and Black People only and to expose the misinformation which continues to be propagated deliberately by the whites and their offspring as well as by misinformed Afurakani Afuraitkaitnit African Black scholars teachers authors etc This four part series is the first volume of a greater series There are numerous manifestations of the term and name Afuraka Afuraitkait Africa all over the continent and in the places we traveled after having migrated away from the continent thousands of years ago for the first time in our trustory This is an attestation to the ancient spiritual roots of the name Afuraka Afuraitkait The information can and will fill many volumes This is a never ending project Copyright by Odwirafo Kwesi Ra Nehem Ptah Akhan 13007 13008 13011 13014 2007 2008 2011 2014 All rights reserved www odwirafo com *The Concise Oxford Dictionary of Current English* Francis George Fowler,1925 **Hippocrene Guide to the Underground Railroad** Charles L. Blockson,1994 They were often running with nothing to call their own and a price on their heads to a place in the North known only as the promised land they were dependent upon the kindness and trust of strangers known only for a fleeting moment strangers who might warm them feed them clothe and shelter them for a night then shuttle the fugitive slaves on to the next station Though many slaves were American born African Americans were denied the right to freedom Their struggle to gain that freedom has been traced back to 1786 and a fugitive slave owned by George Washington The Underground Railroad could only save few from shackles until the end of the Civil War in 1865 Pursuit began in the south but few people know that slave hunters after the passage of the Fugitive Slave Law of 1850 were allowed to capture their bounty in northern free states where slaves were still considered property that would be forcibly returned to southern owners This book chronicles not only the paths that were taken by fugitive slaves but the land and the people that were the answers to many prayers for deliverance Within the homes of Underground Railroad conductors there were false walls cellars and attics tunnels and stairways to confuse fugitive slave hunters Often barns or even the heavy brush of a swamp could conceal a fugitive Due to the very nature of the covert operation that was the Underground Railroad the names of the people who hid fugitives and many of these hiding places have been kept a precious secret While a few American communities were tolerant of the Underground Railroad many more were less so For some conductors who were caught the penalty for aiding a fugitive slave included hanging for others it meant the ruin of their livelihood or their community standing BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Nominal Pluralization and Countability in African Varieties of English** Susanne Mohr,2021-10-28 This book is the first comprehensive analysis of nominal plural marking its morphosyntax and semantics across different African varieties of English Mohr explores the rich diversity in the varieties and how different conceptualizations of the number category are realized across different cultures The investigation of unstandardized noun plurals in Kenyan Tanzanian Ghanaian and Nigerian Englishes is based on a mixed methods design drawing on corpus linguistics acceptability questionnaires and psycholinguistic experiments In this vein the book not only contributes to the

description of each of these four varieties but also sheds light on standardization processes and language change in New Englishes. Importantly, it is a plea for the triangulation of data and mixed methods approaches in World Englishes research as the combination of these methods grants insight into unforeseen areas of language structures and use. This volume is a useful reference work for students and researchers in World Englishes, varieties of English, and African Studies, as well as those interested in linguistic anthropology.
