Twice Chosen:

Twice Chosen Man L Leighton Decore, 2018-06-22 The year is 1810 and a small group of French Canadian voyageurs fur trade men are canoeing the largely uncharted waters of western Canada in a rush to reach the mouth of the Columbia River As if traveling treacherous waters crossing unmapped mountain passes enduring harsh winters and surviving among bears and wolves and encounters with unfamiliar indigenous tribes weren't challenging enough they likely have a thief in their midst and expect to become the target of an assassination attempt The men accompanied by a new British arrival and two Iroquois warriors work at the behest of their beloved comrade David Thompson the famed British Canadian fur trapper mapmaker and explorer Unbeknownst to them the stranger in their midst proves to be one William Ashford a Captain of the 95th Regiment of foot and one of the Chosen Men of British riflemen What they don't know yet is that Ashford an expert marksman has been recruited by the British government as a spy and has been selected to protect Thompson and his maps and log books from a rogue group of Americans He must use his skills as a rifleman his intelligence as a military officer and his willingness to learn from the Iroquois Indians who accompany and befriend him to protect Thompson at all costs Drawing on a richly assembled history of exploration of western Canada and the race to claim its abundant resources Twice Chosen Man offers an exhilarating rush and deep immersion into the forces that will ignite the War of 1812 and the eventual maturation of an emerging Canada

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
