

2 Corinthians

Paul, an apostle of Christ Jesus by the will of God, and Timothy our brother,

to the church of God in Corinth, together with the saints throughout Achaia:

Grace and peace to you from God our Father and Jesus Christ.

Comfort

God and Father of our Lord Jesus Christ, the Father of compassion and the Father of mercies, who is the Father of the mercies of our Lord Jesus Christ,

understood us in part, you will come to understand fully that you can boast of us just as we will boast of you in the day of the Lord Jesus Christ. 15 Because I was confident of this, I came to visit you first so that you would have no fault to find with me. 16 I planned to visit Macedonia and to come to you, and then to visit you on my way to Jerusalem.

Two Corinthians:

Second Corinthians David E. Garland, 1999 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text Eerdmans Commentary on the Bible: Second Corinthians John M. G. Barclay, 2021-04-13 This extract from the Eerdmans Commentary on the Bible provides Barclay's introduction to and concise commentary on Second Corinthians The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions The Fear of God in 2 Corinthians 7:1 Euichang Kim, 2019-02-21 Euichang Kim focuses upon the phrase the fear of God drawn from 2 Corinthians exhortation to reconcile with God As opposed to these words appearing from no particular source Kim points to the wider contexts of Old Testament passages quoted by Paul and demonstrates that God's eschatological promises in particular his coming judgment his promise to redeem his people and the prospect of a new covenant are intertwined with this motif of fear Beginning with an analysis of the meaning of fear in both the Old Testament and the New Kim proceeds to the context of fear within 2 Corinthians Scripture the writings of Second Temple Judaism and the very eschatology of Paul suggesting that it stems from an awareness of God's judgment to come and serves to motivate righteous behavior Kim finally argues that in the context of 2 Corinthians the fear of God functions as the proper response to God's saving acts in Christ and provides motivation for believers to pursue a holy life in anticipation of the eschatological judgment to come **The Second Epistle of Paul the Apostle to the Corinthians** Alfred Plummer, 1903 Exploring 2 Corinthians John Phillips, 2002 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody magazine 1 and 2 Corinthians Grant R. Osborne, Philip W. Comfort, 1999 This commentary on Paul's letters to the Corinthians was written by the team who designed and wrote the Life Application Bible It is factually accurate theologically sound and intensely practical ideal for pastors teachers and Bible students **The second Epistle ... to the Corinthians, ed. by A. Plummer** Paul (st.), 1903 *The Second Epistle of the Apostle Paul to the Corinthians* Allan Menzies, 1912 Second Corinthians Knofel Staton, 1988 **Exploring Second Corinthians** B. J. Oropeza, 2016-04-15 A multi faceted commentary that breathes fresh insight into Paul's letter In Second Corinthians Paul responds to reports of the Corinthian congregation questioning his competency as a divinely sent messenger Through apologetic demegoria and the use of graphic imagery related to triumphal processions siege warfare and emissary travels and negotiation Paul defends his

constancy persona and speaking abilities as he extends the offer of clemency and reconciliation to his auditors Oropeza combines rhetorical pictures rhetography with interpretative layers literary features intertextuality socio cultural ideological and sacred textures to arrive at the rhetorical impact of Paul s message for ancient Mediterranean discourse Features A visual sensory and imaginative interpretation of the scripture A comprehensive commentary An avant garde approach to biblical interpretation

2 Corinthians: The Christian Standard Commentary David E. Garland,2021-03-15 2 Corinthians is part of The Christian Standard Commentary CSC series This commentary series focuses on the theological and exegetical concerns of each biblical book while paying special attention to balancing scholarship with practical application

The Second Epistle to the Corinthians ,1920 **Second Corinthians** William R. Baker,1999 **Second Corinthians** Aída Besançon Spencer,William David Spencer,1989 Meaning and Truth in Second Corinthians Frances M. Young,David F. Ford,2008-02-01 This new and refreshing approach to 2 Corinthians shows how exegesis of the New Testament writing can issue in theology that is relevant to today Beginning with an account of the essential thrust of the text the authors argue for the unity of the letter setting it against both its Jewish and Hellenistic backgrounds and examining questions of meaning and reference in the interpretation of particular passages They then consider how the text can be illuminated by the modern study of hermeneutics as well as by new sociological approaches The whole study reaches its climax with an assessment of Paul s authority then and now and the importance of what he says about God To conclude the authors provide their own vivid and compelling translation of Paul s words inviting a complete rereading of the letter in the light of all that has gone before

Second Corinthians G. Coleman Luck,1959 **The Expositor's Greek Testament: The second epistle to the Corinthians** Sir William Robertson Nicoll,1903 **Second Corinthians** James M. Scott,1998 The New International Biblical Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit Based on the widely used New International Version translation the NIBC presents careful section by section exposition with key terms and phrases high lighted and all Greek transliterated A separate section of notes at the close of each chapter provides additional textual and technical comments Each commentary also includes a selected bibliography as well as Scripture and subject indexes **The Expositor** ,1898 **The Expositor** Samuel Cox,Sir William Robertson Nicoll,James Moffatt,1898
