

Two Lives

1

*"There is no God," one said,
And love is lust;
When I am dead I'm dead,
And all is dust.*

*"Be merry while you can
Before you're gray;
With some wild courtesan
Drink care away."*

2

*One said, "A God there is,
And God is love;
Death is not death, but bliss,
And life above.*

*"Above all flesh is mind;
And faith and truth
God's gifts to poor mankind
That make life youth."*

3

*One from a harlot's side
Arose at morn;
One cursing God had died
That night forlorn.*

Two Lives William Ellery Leonard,1946 *Two Lives* Reginald Fanshawe,1894 **Two Lives** William Ellery Leonard,1925 **Two Lives** Reginald Fanshaw,2015-07-12 Excerpt from *Two Lives A Poem* A completed poem should need neither preface nor apology A fragment perhaps may qualify its imperfections at least provisionally by both The subject of this song might best be described as a spiritual pilgrimage from nothingness and denial to hope and fulfilment as a vision of the progress of life through the experience of nature self and history to God The note of the poem is primarily personal It presents an authentic record of real individual growth revised in the light of a later reading and only so far idealized as the issues attained and the temper portrayed are ideal themselves But the personal note is enlarged in the process to one fuller and more universal As the development and redemption of a single soul are followed along the lines of the more permanent historic movements and under the pressure of the manifold forces of modern life the limits of individual vision must pass in a sense into a panorama of time and the confessions of a private spirit become the reflection of an age The note again of the poem is to be essentially modern About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works 2 LIVES Reginald Fanshaw,2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Two Lives** Reginald Fanshawe,2016-05-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in
