**The Last Lion**

Paul Reid, William Manchester, 2012-11-06 The long awaited final volume of William Manchester's legendary biography of Winston Churchill. Spanning the years of 1940-1965, *The Last Lion* picks up shortly after Winston Churchill became Prime Minister when his tiny island nation stood alone against the overwhelming might of Nazi Germany. The Churchill conjured up by William Manchester and Paul Reid is a man of indomitable courage, lightning-fast intellect, and an irresistible will to action. *The Last Lion* brilliantly recounts how Churchill organized his nation's military response and defense, compelled FDR into supporting America's beleaguered cousins, and personified the never-surrender ethos that helped the Allies win the war while at the same time adapting himself and his country to the inevitable shift of world power from the British Empire to the United States. More than twenty years in the making, *The Last Lion* presents a revelatory and unparalleled portrait of this brilliant, flawed, and dynamic leader. This is popular history at its most stirring. **The Last Lion Box Set**

Paul Reid, William Manchester, 2012-11-20 Universally acclaimed for their compelling narrative, their fresh insights, and their objective renderings of Winston Churchill's life, *The Last Lion* trilogy presents a revelatory and unparalleled portrait of this brilliant, flawed, and dynamic adventurer, aristocrat, soldier, and statesman. Born at the end of the 19th century when Imperial Britain still stood at the splendid pinnacle of her power, Churchill would witness the shift a few years later as the Empire hovered on the brink of a catastrophic new era. One of the greatest wartime leaders of our time, he would go on to stand alone, politically isolated in Parliament, as he took the lead in warning of the growing Nazi threat and would lead Britain to victory against Nazi Germany and the Axis powers in World War II. Now celebrated, historian William Manchester's landmark biographies are collected together for the first time, along with the eagerly anticipated final installment, Churchill's last years in power. More than thirty years in the making, *The Last Lion* is the definitive work on this remarkable man whose courageous vision guided the destiny of a nation during darkly troubled times and who looms as one of the greatest figures of our century. **The Two-ocean War, a Short History of the United States**
