A Vietnam Experience James B. Stockdale, 2020-07-29 The decade that followed James Stockdale's seven and a half years in a North Vietnamese prison saw his life take a number of different turns from a stay in a navy hospital in San Diego to president of a civilian college to his appointment as a senior research fellow at the Hoover Institution In this collection of essays he offers his thoughts on his imprisonment Describing the horrors of his treatment as a prisoner of war Stockdale tells how he discovered firsthand the capabilities and limitations of the human spirit in such a situation As the senior officer in confinement he had what he humbly describes as the easiest leadership job in the world to maintain the organization resistance and spirit of ten of the finest men I have ever known His reflections on his wartime prison experience and the reasons for his survival form the basis of the writings reprinted here In subject matter ranging from methods of communication in prison to military ethics to the principles of leadership the thirty four selections contained in this volume are a unique record of what Stockdale calls a melting experience a pressure packed existence that forces one to grow Retired Vice Admiral James B Stockdale a Hoover Institution fellow from 1981 to 1996 was Ross Perot's 1992 presidential running mate and a recipient of the Medal of Honor after enduring seven and a half years as a prisoner of war in North Vietnam He died in 2005 at the age of 81

Researching the Vietnam Experience Ronald H. Spector, 1984

The Vietnam War Geoffrey C. Ward, Ken Burns, 2017-09-05 NATIONAL BESTSELLER Based on the celebrated PBS television series the complete text of an engrossing history of America's least understood conflict a significant milestone that will no doubt do much to determine how the war is understood for years to come The Washington Post More than forty years have passed since the end of the Vietnam War but its memory continues to loom large in the national psyche In this intimate history Geoffrey C Ward and Ken Burns have crafted a fresh and insightful account of the long and brutal conflict that reunited Vietnam while dividing the United States as nothing else had since the Civil War From the Gulf of Tonkin and the Tet Offensive to Hamburger Hill and the fall of Saigon Ward and Burns trace the conflict that dogged three American presidents and their advisers But most of the voices that echo from these pages belong to less exalted men and women those who fought in the war as well as those who fought against it both victims and victors willing for the first time to share their memories of Vietnam as it really was A magisterial tour de force The Vietnam War is an engrossing history of America's least understood conflict

Nam Tim Page, 1989-05 The Vietnam war was a conflict so violent so bizarre that it left a whole generation of young Americans too shocked and scarred to understand the nightmare they had been through Only now more than twenty years after the conflict began are the Vietnam veterans beginning to talk about an experience America had wanted them to forget NAM draws on the memories of these men telling the full story of America's Vietnam war

Vietnam John Prados, 2009 The first major synthesis of the war since 2001 drawing upon a host of newly declassified documents presidential tapes and overlooked foreign sources to give the most comprehensive look to date of the war that still haunts

Lessons Learned Franklyn Tyrone Johnson, 2010-08 The author nailed this one on the head This remarkable book is a refreshing spring of knowledge It contains exceptional examples and solutions for many of the trials we each face everyday It provides a vividly written practical illustration of the many essential lessons we must learn as we travel through life It gives amazingly clear expert advice and dynamically displays many in depth insights to dealing with the ever changing scenarios that we must contend with in life Its straight forward terms illuminate the mind and give us a first place look at the subtle nuances of life s perplexing situations as it provides the appropriate advice for dealing with each one In it we are encouraged and given the tools needed to persevere as we make progress toward our destinations This book is a virtual gold mine a treasure trove of proven battle plans for superbly achieving life s victories It deliberately focuses on solving life s most common and persistent problems and provides us with the impetus we need to firmly press on to victory in every area of our lives Elder Johnson keenly demonstrates that many times we fail in our ever increasing efforts to overcome some of the simplest problems we face in life because we only see the problems from one angle To overcome this handicap he takes a multi faceted approach in dealing with each situation so we can better understand the complexities that are often involved in resolving the many problems we face If we diligently implement the advice and apply the strategies that are laid out in this outstanding book we can not only endure but successfully overcome even the most profuse challenges we face in life This book is a small investment in life but one that you will never regret
