Alexandra Harris, 2011-10-01 An ideal introduction to the life and work of Virginia Woolf by an award winning author the story of a life lived with intensity from moment to moment and shaped into the lasting patterns of art In 1907 when she was twenty five and not yet a published novelist Virginia Stephen had everything still to prove She felt herself to be at a crossroads I shall be miserable or happy a wordy sentimental creature or a writer of such English as shall one day burn the pages Today her prose is still blazing perhaps it burns brighter than ever This is the story of how a determined young woman with a notebook became one of the greatest writers of all time It is a story that sparkles with wit and friendship language and love wicked jokes and passionate appreciation of ordinary things In this illuminating new account Alexandra Harris uses vivid

flashes of detail to evoke Woolf's changing backgrounds and preoccupations. We move from the close-packed rhythms of a Victorian childhood to the experiments of Bloomsbury and Woolf's trial and error answers to the pressing question of how to live. We see her tackling challenging forms of writing, trying out different voices, following flights of fancy and returning to earth. Above all, we see her making conscious decisions about what to do next. The book considers each of the novels in context, gives due prominence to a range of Woolf's dazzlingly inventive essays, traces the contentious course of her afterlife, and shows why seventy years after her death, Virginia Woolf continues to haunt and inspire us.

Virginia Woolf's Nose
Hermione Lee, 2018-06-05

What choices must a biographer make when stitching the pieces of a life into one coherent whole? How do we best create an accurate likeness of a private life from the few articles that linger after death? How do we choose what gets left out? This intriguing and witty collection of essays by an internationally acclaimed biographer looks at how biography deals with myths and legends, what goes missing, and what can't be proved in the story of a life. Virginia Woolf's *Nose* presents a variety of case studies in which literary biographers are faced with gaps and absences, unprovable stories, and ambiguities surrounding their subjects. By looking at stories about Percy Bysshe Shelley's shriveled, burnt heart found pressed between the pages of a book, Jane Austen's fainting spell, Samuel Pepys's lobsters, and the varied versions of Virginia Woolf's life and death, preeminent biographer Hermione Lee considers how biographers deal with and often utilize these missing body parts, myths, and contested data to fill in the gaps of a life story. In *Shelley's Heart and Pepys's Lobsters*, an essay dealing with missing parts and biographical legends, Hermione Lee discusses one of the most complicated and emotionally charged examples of the contested use of biographical sources. *Jane Austen Faints* takes five competing versions of the same dramatic moment in the writer's life to ask how biography deals with the private lives of famous women. *Virginia Woolf's Nose* looks at the way this legendary author's life has been translated through successive transformations from biography to fiction to film, and suggests there can be no such thing as a definitive version of a life. Finally, *How to End It All* analyzes the changing treatment of deathbed scenes in biography to show how biographical conventions have shifted and asks why the narrators and readers of life stories feel the need to give special meaning and emphasis to endings. *Virginia Woolf's Nose* sheds new light on the way biographers bring their subjects to life as physical beings and offers captivating new insights into the drama of life writing. *Virginia Woolf's Nose* is a witty, eloquent, and funny text by a renowned biographer whose sensitivity to the art of telling a story about a human life is unparalleled, and in creating it, Lee articulates and redefines the parameters of her craft.
