

parable studies:

lessons from 15 stories Jesus told

minimalist, low-ink version

the prodigal son

Luke 15:11-32

Know with the story of a younger son who squanders his share of his father's wealth, leaving home, and squandering everything he inherits during "40 years" (more than 40 years) (15:11-13), returning penniless, his father (more) welcomes him with open arms. Meanwhile, the older brother complains and grumbles, resenting as the "son" his forgiveness in generosity, unconditional, and offers food for himself because he felt abandoned. This parable challenges us to reflect on how we share grace—think where we need to be generous and where we're asked to extend to be selfish.

main characters & attributes

1. The Father = (15:11-13) He is not without mercy, but also without pity, and already he offers you food for a 40-year performance.
2. The Younger Son = selfish, entitled, free, impulsive, and clearly he cannot miss anything, including the opportunity to make his own choices, but not his own.
3. The Older Son = clearly he is not without mercy, but he is not without pity, and already he offers you food for a 40-year performance.

context:

<p>15:11-13 The younger son asks for his share of the inheritance and leaves home. He squanders his money and ends up penniless.</p>	<p>15:14-16 He goes to a distant country and squanders his money. He ends up penniless.</p>	<p>15:17-19 He returns home and begs for food. His father orders a feast.</p>
---	--	--

<p>God's love and forgiveness are unconditional. He desires for you to change your life, but he will accept you back with open arms when you return to him.</p>	<p>We shouldn't be grumbling when trying to help someone. We should be generous and unconditional. We should be generous and unconditional.</p>	<p>key lesson: When someone is asking for help, be generous and unconditional.</p>

over again It s not easy to approach the parables in a fresh way or to gain new insights from them when we hear or preach them so often Which is why *The Art of Parables* by Charles McCollough is such an indispensable resource A theologian and artist McCollough knows the parables intimately and offers a unique two pronged approach to each of the 31 parables contained in the New Testament First McCollough interprets each of the parables through sculpture Seeing and approaching the parables visually through art sculpture opens up new levels of understanding Second McCollough takes full account of the social economic and political context in which the parables were told with often surprising and challenging results For example the Good Samaritan and the Prodigal Son parables have been used in endless ways to refer to compassionate care of the stranger and to forgiveness of wayward children But are these the meanings Jesus intended Not necessarily says McCollough This illustrated book and the accompanying CD of images for projection will be an invaluable resource to anyone who wants to explore the ethical and social justice issues contained in the parables of Jesus in a unique way that honours the contribution of the arts
