In His Name E. E. Hale, 2025-11-27 Reprint of the original first published in 1873 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Strongman's His Name...II* Jerry Robeson, Carol Robeson, 2000-02-01 Biblical Answers to Spiritual Warfare Questions Have you ever wondered Can Christians be demon possessed Are natural disasters the judgment of God Why does it seem that my prayers are not being answered Why do I have so much trouble with the Devil What is the difference between God s voice and the Devil s voice How do I overcome the spirit of jealousy divination bondage and infirmity Within the pages of this book are simple no nonsense biblical answers that will help you to understand what it is to be one of God s warriors in these last days *His Name Is One* Jeff A. Benner, 2003 When we read an English translation of the Bible we define the words within it according to our modern vocabulary allowing our culture and language to influence how we read and interpret the Bible The Bible was written by ancient Hebrews whose culture and language was very different from our own and must be read and interpreted through their eyes When we define the names of God using our culture and language we lose the Hebraic meanings behind the original Hebrew names of God Consequently the true nature and character of God is hidden behind the veil of time and culture By understanding the various names of God through the vocabulary and language of the ancient Hebrews the nature and character of God is revealed to us in a new light The prophet Zechariah described the character of God with the words sh mo ehhad translated as His Name is One Zechariah 14 9 This phrase beautifully describes the character of God from a Hebraic perspective that is lost to us through translation and unfamiliarity with ancient Hebrew culture *For His Name's Sake* Nancy Cretacci, 2013-01-18 God deals with us for His name s sake We fail God because we live for our own reasons and desires This purpose of this devotional journal is to help you live a victorious Christian life by listening to God explain to you who He is Each day He reveals to you the meaning of one of His Holy names Come to Him with a humble heart and read listen pray meditate and write down your reflections on the implications of His name for your life As you apply God s leading to your life obey and live that day by bringing glory to His name This practice will make you a lover of God s Word and take you into a deeper relationship with Christ The results of this process will transform you into the worthy title of child of God **Chief Seattle and the Town that Took His Name** David M. Buerge, 2017-01-01 This is the first thorough historical account of Chief Seattle and his times the story of a half century of tremendous flux turmoil and violence during which a native American war leader became an advocate for peace and strove to create a successful hybrid racial community When the British Spanish and then Americans arrived in the Pacific Northwest it may have appeared to them as an untamed wilderness In fact it was a fully settled and populated land Chief Seattle was a powerful representative from this very ancient world Historian David Buerge has been researching and writing this book about the world of Chief Seattle for the past 20 years

Buerge has threaded together disparate accounts of the time from the 1780s to the 1860s including native oral histories Hudson Bay Company records pioneer diaries French Catholic church records and historic newspaper reporting Chief Seattle had gained power and prominence on Puget Sound as a war leader but the arrival of American settlers caused him to reconsider his actions He came to embrace white settlement and following traditional native practice encouraged intermarriage between native people and the settlers offering his own daughter and granddaughters as brides in the hopes that both peoples would prosper Included in this account are the treaty signings that would remove the natives from their historic lands the roles of such figures as Governor Isaac Stevens Chiefs Leschi and Patkanim the Battle at Seattle that threatened the existence of the settlement and the controversial Chief Seattle speech that haunts to this day the city that bears his name *For His Name's Sake* McKenzie Brockington,2019-11-06 As I studied the scripture in relation to God and His salvation of mankind I came to realize what He has done is doing or ever will do in regard to salvation is done not because of anything of worth in us but For His Name s Sake He has a renowned reputation that He has to protect If anything He ever did was undone He would at that moment cease to be the all powerful sovereign God that He is **How James Joyce Made His Name:** Roberto Harari,2002-07-17 In this lucid and compelling analysis of Lacan s twenty third seminar Le Sinthome Roberto Harari points to new psychoanalytic pathways that lead beyond Freudian oedipal dynamics Lacan s seminar measures the boundaries between creativity and neurosis We learn how poetry and wordplay may offer alternatives to neurotic pain and even psychotic delusions with Joyce as our subject This new translation makes the intricacies of Lacan s seminar available to the English speaking world for the first time The author s accessible vigorous prose explains the nuances of Lacanian theory with perfect clarity In the extraordinary encounter between Lacan and Joyce Harari reveals unexpected affinities between them both as theorists and writers It illustrates how literature is the aesthetic domain that is closest to the analytic experience **Origin of Washington Geographic Names** Edmond Stephen Meany,1923 The Medical Directory for 1873 and General Medical Register Including the London and Provincial Medical Directory...
