What The Spirit Is Saying To The Churches:

What the Spirit Is Saying to the Churches Henry Blackaby, 2003-03-07 People today are hungry for God's sure guidance in their churches. But how do they find it? One of the strongest prophetic voices to the church today, Henry Blackaby, helps Christians grasp God's pattern for strengthening their churches rather than relying on human ideas and methods that leave God on the periphery. They'll learn how to be sensitive individually and corporately to the effort of the Spirit, exploring the trustworthy principles by which the Lord longs to guide each congregation toward its own distinctive mission. **Hear**

What the Spirit Is Saying Raul Ries, 1993 [The Seven Spirits for the Local Churches](#) Witness Lee, Today we need the intensified Spirit because of the degradation of the church. When the book of Revelation was written, the church had become degraded. The Lord became the intensified Spirit because of the degradation of the church. The history of the church tells us that even in the last part of the first century, while the apostle John was still alive, the church had degraded from the Spirit to religion. The church had fallen from the living Spirit to dead religion. It was in such a situation that the Lord wrote this book to the seven local churches using the title of the sevenfold Spirit. Under the degradation of the church, what we need is not religion or doctrines but the intensified Spirit. **What The Spirit is Saying to the Church** Reverend Anthony

Kelley, 2017-09-25 What the Spirit is Saying to the Church is an apocalyptic view from the letters to the seven churches in the book of Revelation that begins its message to the church, admonishing her to return to her first love which she has abandoned. The author contends that this first love requirement demands a redirection of priorities for the Twenty First Century Church in the Black Experience. It demonstrates how for the love of Christ she must move beyond a limited vision of just a good looking church and satisfaction with old definitions. Christ gives a rebuke to the church and a direct warning that if she does not repent and return to her first love, he will then remove her lampstand. Reverend Kelley's preaching is spiritually sound and intellectually stimulating and challenging and also socially relevant. He deeply believes in what I would call a well rounded ministry. That is to say that ministry for him involves not only mastering the preached Word but also taking seriously and fulfilling the roles of pastor, priest, and prophet. REV DR LEWIS V BALDWIN PHD RETIRED PROFESSOR OF RELIGIOUS STUDIES VANDERBILT UNIVERSITY Reverend Kelley is a preacher of the Word. His ability to prepare and deliver biblically sound, inspirational, and spirit-filled sermons is a gift that allows those who hear him to participate in the story of salvation at personal and social levels. He is not a closed lip babbler who preaches to itching ears; rather, he speaks with power and authority under the watchcare of an humble spirit and a disciplined mind. Nelson Darby, 1871 **A New Pentecost for a Starving World** Br. Thomas Varkey, 2023-09-25 In the Bible in John 3:3 Jesus says, "No one can enter the kingdom of God unless he is born of water and the Spirit. In the case of those of us who are

born again our first birth took place when the uterus of our mother ruptured and along with the water in the uterus we came out as a baby This was our first birth from water Our second birth according to 1 John 5:18 and 1 John 3:9 takes place when a baby or an adult becomes a child of God through a second birth enacted by the Holy Spirit just as Christ was conceived in the womb of Mary His mother This means that when a follower of Christ becomes a born again Christian he has not even a trace of sin just as Christ also was when He was conceived In John's letter 1 John 3:9 implies that being born again is a change as profound as if the born again Christian also were conceived in the womb of his earthly mother by the power of the Holy Spirit This is so because his second birth was also enacted by the Holy Spirit exactly in the same way that Jesus was conceived since there is a commonality in both the births The commonality is that the seed in both cases is the same the Holy Spirit A second remarkable thing about a born again Christian is that after a born again Christian becomes one he enters a growth period that will last for the rest of his life during which time he performs extraordinary deeds of outrageous generosity I like to point out three examples of such extra extraordinary deeds that I did only because I was a born again Christian In the interest of space I am only mentioning one here In this instance once I charged on my credit card a sum of 67 000 to help one of my distant family members who lost the lease on the place he was using for business It took me two years to pay off that debt It was not easy as I had to take out approximately eight other bank loans before I could pay it off I had many sleepless nights too The other two extraordinary deeds of outrageous generosity that I did can be read in my fifth reason for my writing this book described in the first part of the book But the most remarkable of all benefits of being truly born again is that one who is born again can live holy without sin Now I would like to announce to you about my future action plan to win over ten million people about half the population of New York City or a little less than a third of the population of Delhi India for Christ God willing by the grace of God I am making this announcement here as an invitation to all who want to join me in this undertaking I can assure you that one day He will turn our wailing into dancing Ps 30:11 and throw us the most amazing party in heaven described in Luke 15 saying to his servants Quick Bring the best robe and put it on him Put a ring on his finger So they began to celebrate Once again I am confident that God will be with us as He has promised me His faithfulness for this project also Praise the Lord Alleluia

[Spirits Realm](#) Ross Rozani, 2019-09-29 Being human we are so pre occupied with worldly task until we ignore the fact that we carry spirit within ourselves which is the Soul It is said its nourishment is

only Faith in God At times we struggle with our own faith as it doesn't jive with current logic and reasoning We neglected the presence of other spirits that is tirelessly working against our faith With technology advancement spiritual life becomes less relevant until towards the end of our physical life when we are no longer needed by the system By then it may be too late It is said that our physical life span is so short compare to spiritual life span including the Afterlife Yet we are being tested if we remain believer or became non believer Test of Faith in God which is acquiescent to the Afterlife The biggest test is yet to come once Dajjal or the Anti Christ appear with the most powerful witchcraft human and Jinn ever seen that can easily misled us that he is God Appearance of Dajjal was prophesized and conspired to mark that Doomsday is near When will the Doomsday be Let's find out what was said and what was prophesized
