## **Speak Memory:**

**Speak, Memory** Vladimir Nabokov, 2011-02-16 From one of the 20th century's great writers comes one of the finest autobiographies of our time. Scintillating. One finds here amazing glimpses into the life of a world that has vanished forever. The New York Times. *Speak Memory* was first published by Vladimir Nabokov in 1951 as *Invitation of a Memory* and then assiduously revised and republished in 1966. Nabokov's memoir is a moving account of a loving, civilized family of adolescent awakenings, flight from Bolshevik terror, education in England, and migratory life in Paris and Berlin. The Nabokovs were eccentric liberal aristocrats who lived a life immersed in politics and literature on splendid country estates until their world was swept away by the Russian revolution when the author was eighteen years old. *Speak Memory* vividly evokes a vanished past in the inimitable prose of Nabokov at his best.

**Speak, Memory** Vladimir Vladimirovich Nabokov, 1966 A personal recollections ranging from St Petersburg to St Nazaire in Russia from 1903 to 1940. An interesting read with photos.

**Speak, Memory** Vladimir Vladimirovich Nabokov, 1989 This book first published in 1951 as *Invitation of a Memory* and then assiduously revised in 1966. Examines Nabokov's life and times while offering incisive insights into his major works including *Lolita*, *Invitation of a Memory*, *The Gift*, *The Eye*, *The Invitation of a Memory*, and *The Defense*.

**Autobiography and Imagination** John Pilling, 2015-08-20 Originally published in 1981. This book looks at the autobiographical work of nine twentieth-century writers: Henry Adams, Henry James, W. B. Yeats, Boris Pasternak, Leiris, Jean-Paul Sartre, Vladimir Nabokov, Henry Green, and Adrian Stokes. The author argues that often the writer has shaped his life through his craft, coming to understand the pattern of his own existence through the formalism of language. In each case, the writer stamps his personality on the work by means of a distinctive verbal surface whose discipline enables him to evade narrow egotism and forces both reader and writer into an act of collaboration and corroboration. Written at a time when criticism was turning to focus on the relation between the reader and the text, this study added a provocative dimension to the debate and is still an important read today.

*Speak, Memory* Vladimir Vladimirovich Nabokov, 1994

[Nabokov's Art of Memory and European Modernism](#) John Burt Foster, Jr., 1993-02-08 Despite Vladimir Nabokov's hostility toward literary labels, he clearly recognized his own place in cultural history. In a fresh approach, stressing Nabokov's European context, John Foster shows how this writer's art of memory intersects with early twentieth-century modernism. Tracing his interests in temporal perspective and the mnemonic image in intertextual reminiscences and in individuality amid cultural multiplicity, the book begins with such early Russian novels as *Mary*, then treats his emerging art of memory from *Laughter in the Dark* to *The Gift*. After discussing the author's cultural repositioning in his first English novels, Foster turns to Nabokov's masterpiece as an artist of memory, the autobiography *Speak Memory*, and ends with an epilogue on *Pale Fire*. As a cross-cultural overview of modernism, this book examines how Nabokov navigated among Proust and Bergson, Freud and Mann, and Joyce and Eliot. It also explores his response to Baudelaire and Nietzsche as theorists of modernity and his sense of Dostoevsky, Tolstoy, and Pushkin as modernist precursors. As an approach

to Nabokov the book reflects the heightened importance of autobiography in current literary study Other critical issues addressed include Bakhtin s theory of intertextuality deconstructive views of memory Benjamin s modernism of memory and Nabokov s assumptions about modernism as a concept **Speak, Memory An Autobiography Revisited** ,2003 From one of the 20th century s great writers comes one of the finest autobiographies of our time Speak Memory was first published by Vladimir Nabokov in 1951 as *Invitation of a Memory* and then assiduously revised and republished in 1966 The Everyman s Library edition includes for the first time the previously unpublished Chapter 16 the most significant unpublished piece of writing by the master newly released by the Nabokov estate which provided an extraordinary insight into Speak Memory Nabokov s memoir is a moving account of a loving civilized family of adolescent awakenings flight from Bolshevik terror education in England and m igr life in Paris and Berlin The Nabokovs were eccentric liberal aristocrats who lived a life immersed in politics and literature on splendid country estates until their world was swept away by the Russian revolution when the author was eighteen years old Speak Memory vividly evokes a vanished past in the inimitable prose of Nabokov at his best *A Study Guide for Vladimir Nabokov's "Speak, Memory: An Autobiography Revisited"* Gale, Cengage Learning,
